1E Emergency Home Assistance

We provide assistance in the event of certain home emergencies that impact on the safety and security of your home, potentially rendering it uninhabitable.

This policy is suitable for someone who wants to cover an emergency caused by specified events when they don't already have relevant insurance cover.

It's not designed to replace your Buildings and Contents insurance, and won't provide assistance for normal day-to-day home maintenance.

This policy provides assistance in the event of the emergencies outlined in the table below.

Please call us as soon as you're aware of the emergency.

Status disclosure

This policy is administered by AXA Assistance Ireland Limited, Kilmartin, N6 Retail Park, Athlone, Co Westmeath.

This policy is underwritten by Inter Partner Assistance SA (IPA), which is fully owned by the AXA Assistance Group. Interpartner Assistance SA is a Belgian firm authorised by the National Bank of Belgium and is regulated by the Central Bank of Ireland for conduct of business rules.

AXA Assistance Ireland Limited provides the emergency assistance services and benefits described in this policy during the Period of Insurance. AXA Assistance Ireland Limited operates the 24-hour home emergency assistance helpline.

Your policy is subject to Irish Law and You and We agree to submit to the non-exclusive jurisdiction of the Irish Courts if there is an unresolved dispute between us.

IMPORTANT INFORMATION

This document sets out the terms and conditions of your cover and it's important that you read it carefully.

If we make any changes to your policy cover limit, these will be confirmed to you separately in writing.

Each Section of this document explains what is and isn't covered. There are also general exclusions that apply to all Sections of the cover, and there are general conditions that you must follow for the policy to cover your claim.

How to make a claim

Please call us as soon as you are aware of the emergency.

Are you having one of the following emergencies?

- ▶ Plumbing and drainage
- ▶ Failure of internal electrics
- ▶ Security (i.e. glazing & locks)
- ▶ Pests
- ▶ Gas supply pipe
- ▶ Boiler & heating
- ▶ Roofing

If so, contact the

24 hour Emergency Helpline
0818 253347

Please have as much information as possible to hand, including your policy number, to help us assist you as quickly as possible.

What will happen next:

We will:

- ▶ Advise you how to immediately protect yourself and your home;
- ▶ Validate your policy and arrange for an authorised contractor to make an appointment or settle your claim by agreeing to reimburse you for getting it fixed;
- ▶ Together with our authorised contractors, we'll manage your claim from that point and keep you updated throughout your claim journey;
- ▶ Pay up to €250 (€500 for roofing) per claim including VAT, call out, labour, parts and materials to carry out an emergency repair;
- ▶ In the event your home is uninhabitable because of a covered event, we'll contribute up to €100 inc VAT towards the cost of your (including your pets) accommodation, including transport. You'll have to pay for this up front and we'll reimburse you;
- ▶ Recommend you arrange for a permanent repair by a qualified tradesperson as soon as possible. The service we offer is for emergency repairs to contain the Emergency only; this may only provide a temporary solution to the problem.

Claims under this policy can only be made by

You, your immediate family, lodger or anyone calling on your behalf.

If the emergency repair costs more than €250 (€500 for roofing) including VAT.

We will require you to make up any difference in cost, or, subject to our prior agreement, and on receipt of your engineer's fully itemised and paid invoice, we'd pay you up to €250/€500 inc. VAT as a contribution to a repair that you'll arrange yourself. We'll also take into account any costs already reasonably incurred by our authorised contractor for the initial visit.

This will be in full and final settlement of your claim.

When we make a repair, we'll leave your home safe and habitable, but we won't be responsible for returning it to its original condition (this may be covered under your Buildings insurance).

In some circumstances, we may find it difficult to send an authorised contractor to your home or deal with your emergency within a reasonable timescale.

For example:

- ▶ Excessive demand
- ▶ Bad weather
- ▶ Industrial action
- ▶ Parts availability
- ▶ Availability of a specialist.

In that case, you may, with our prior agreement, arrange for your own contractor to resolve your emergency and we'll refund the cost of your contractor up to €250.

Please provide a fully itemised invoice or receipt from your own contractor.

Other insurance

If you make a claim for any liability, loss or damage that's also covered by another insurance policy, we'll only pay our share of the claim.

Getting our claims costs back

If we think someone else is at fault for a claim we pay, we may follow up with them to get back the payments that we make.

Anyone making a claim under this policy must give us any help and information that we need.

Parts availability

Parts availability is an important factor in providing emergency repairs.

If our engineer isn't carrying a required part on the day of your appointment, we'll do all we reasonably can to find and install a part from our approved suppliers. We may use new parts, or parts that have been reconditioned by the manufacturer or approved third parties.

We may not replace parts on a like-for-like basis, but will provide an alternative suitable for containing the emergency. However, there may be times when replacement parts are delayed because of circumstances beyond our control.

In these cases, we won't be able to avoid delays in repair; we'll keep you informed throughout your claim.

There may also be occasions where parts are no longer available. In these situations, we'll make sure your home is safe and, if required, we'll arrange for you to get a quotation for a suitable replacement item at your cost.

We will avoid the contract and refuse all claims, if we would not have entered into this contract based on honest and accurate information. We will return any premium paid; or

We will treat your policy as if it had included the different terms (other than payment of the premium) that we would have imposed had you responded honestly to the questions posed to you; or

We will reduce proportionately any amount paid or payable in respect of a claim under your policy using the following formula. We will divide the premium actually charged by the premium which we would have charged had you responded honestly to questions posed to you and calculate this as a percentage. The same percentage figure will be applied to the full amount of the claim to arrive at the proportion of the claim to be paid or payable.

If you have fraudulently responded to any of our questions or have been involved in any fraudulent activity, relative to this contract, we will void this contract from the start of the policy. If there is an active claim, this too will be avoided.

7. Instalments Clause

If the premium is payable by instalment and You don't pay each instalment on the due date, all cover under the Policy is cancelled automatically from the date the instalment was due.

- ▶ an incident has occurred likely to give rise to a claim but not yet reported to Us

If a one-off payment isn't made, You must continue to pay instalments. Alternatively, We may deduct any outstanding instalments from any claim that is due to You or payable on Your behalf.
