Annual Revision of Property Sums Insured and wages/turnover

We continuously monitor a number of Commercial Rebuilding and Consumer Price Indices and have adjusted your Buildings and Contents sums insured using the index that we feel best protects you against the effects of inflation and the risk of under insurance in the coming year. However, this universal approach does not take account of the significant differences in profile of our individual customer's buildings and contents exposures and we strongly recommend that you calculate your commercial rebuilding costs using the Society of Chartered Surveyors guidelines and carry out an inventory calculating the replacement costs of your commercial contents. We will be happy to adjust your Sums Insured accordingly. Helpful guidelines can be found on the Society of Chartered Surveyors website at www.scsi.ie

We also monitor a number of Earnings Reports and Price Indices (Sources – CSO) and we may increase your wages and turnover to reflect annual inflationary changes. We strongly recommend that you review all wages and turnover figures at each renewal.

How to deal with a claim

These Notes are not part of the contract of Insurance but are a guide to help you if you have a claim. If you know, or think it possible, that the damage or injury is severe, or even if you just want to speak to someone about it, please phone your broker or Aviva immediately. Prompt notification by you or your insurance adviser, to us, of all losses and injuries which might result in a claim, is important.

Otherwise, where your property has been lost stolen or damaged:

Glass breakage

If the damage occurs when your premises are closed the Garda Síochána may make immediate arrangements for the broken window(s) to be boarded up. If this hasn't been done you should immediately make arrangements for boarding up or immediate replacement of the broken glass. You should also give immediate notice of the breakage to your broker or Aviva.

Other damage notification

Please write to your broker or Aviva immediately giving as much detail as you can. If property has been stolen mislaid or damaged by thieves inform the Gardaí immediately.

Repairs / replacements

Estimates should be forwarded as soon as possible to your broker or Aviva but if these cannot be sent within thirty days of the loss or damage let them know the position.

Other action

Do what you can to prevent further loss or damage and minimise any interruption to your business.

Notification of injury

Where an employee has been injured or a member of the public has been injured and/or his/her property has been damaged, please write to your broker or Aviva immediately, giving as much detail as you can. Where an employee is included in your Personal Assault cover, please arrange for a doctor's certificate to be submitted if absence from work is likely to exceed one week.

Admission of liability / preservation of salvage

The law of liability is complex so do not admit liability even if you think you may be to blame. Leave it to us to sort this out later. Any broken plant or equipment involved in the accident should be retained in a safe place.

Claim forms

Whenever a claim form is sent to you by Aviva in response to your notification of loss damage or injury please complete and return it to your broker or Aviva as soon as possible.

Claims procedure for Section 5 – Commercial Legal Protection

Once you have sent us the details of your claim and we have accepted it, we will start to resolve your legal problem.

Always report your claim to us in writing and as soon as possible. We can send you a claim form to help you do this.

As a member of Insurance Ireland, ARAG (see Section 5) subscribes to Insurance Ireland's Codes of Practice. These codes set down the requirements insurers must meet when dealing with claims.  - (c) the due observance and fulfilment of the terms provisions and conditions so far as they relate to anything to be done or complied with by the Insured.

- 2 Any claimant under this Policy shall at the request and at the expense of the Company do and concur in doing and permit to be done all such acts and things as may be necessary or reasonably required by the Company for the purpose of enforcing any rights and remedies or of obtaining relief or indemnity from other parties to which the Company shall be or would become entitled or subrogated upon its paying for or making good any destruction loss damage accident or injury under this Policy whether such acts and things shall be or become necessary or required before or after their indemnification by the Company.

Duty of Disclosure and Alteration of Risk

- 3 The Insured is under a duty to answer all questions, which the Company ask, honestly and with reasonable care. The answers in any proposal, statement of fact, declaration and any other document provided by the Insured to the Company for this insurance must be true and complete.

This is for the Insured's protection because, if the Insured does not give the Company all the information the Company needs, the policy may not provide the Insured with the cover the Insured needs, a claim may not be paid, the policy could be declared invalid and void or may be cancelled, and the Insured may encounter difficulty trying to purchase insurance elsewhere.

The Insured may lose all cover under this policy if, since the start date of the policy or the last renewal date (whichever is the latest), there is a material change in the Insured's circumstances (which includes any new circumstances or changes in circumstances which alter the subject matter of this policy or the nature of the risk underwritten) including but not limited to such changes relating to the Premises, the Business, the occupancy, the duties or the activities of the Insured.

If the Insured is not sure whether to tell the Company about a change in respect of the Insured's circumstances, the Insured should contact their broker immediately.

In addition, the Insured must tell the Company immediately about changes, that have not already been advised to the Company, relating;

- 1 to any accident, loss or claims made against the Insured in the last five years, and/or any claims currently outstanding/pending;
- 2 to any convictions, offences or prosecutions pending of any nature (for example, but not limited to, fraud, theft or handling stolen goods) that are not considered a 'spent conviction'* under the Criminal Justice (Spent Convictions and Certain Disclosures) Act 2016,
- 3 to the Insured's access to any hazardous sites or locations;
- 4 to (where a Certificate of Motor Insurance has been issued under this policy) the way the vehicle(s) is used, or the circumstances of any driver (whose driving is covered) relating to that driver being disqualified from driving or having had any accident, loss or claim in the last five years or having any outstanding/pending claim or having a medical condition that has not been advised to the National Driving Licence Service; and/or
- 5 to the Insured's business being wound up or carried on by a liquidator or receiver or permanently discontinued.

Additional Duty of Disclosure for Non-Consumer Customers

PLEASE NOTE - IF THE INSURED IS NOT A CONSUMER (AS DEFINED BELOW) THE FOLLOWING DUTY ALSO APPLIES.

In addition to the above, the Insured must also tell the Company about **any other facts**, which are likely to affect whether the Company agrees to provide cover, or how the Company assess the risks proposed for insurance.

If the Insured is not sure whether they should tell the Company about something, they should tell the Company anyway. This is for the Insured's own protection because, if the Insured does not give the Company all the information the Company needs, the policy may not provide the Insured with the cover the Insured needs, a claim may not be paid, the policy may be declared invalid and void or may be cancelled, and the Insured may encounter difficulty trying to purchase insurance elsewhere.

Section 5 - Commercial legal protection

Introduction

The claims service for this Section of the policy is administered by ARAG Legal Protection Limited herein after referred to as "ARAG" on the Company's behalf. The Company has chosen ARAG as Claims Administrator for this cover in view of their expertise and many years experience in dealing with legal disputes for customers.

As soon as You are aware of a legal problem, You should get legal advice from the **Legal Helpline on 1850 200 826** without delay. Please have Your policy number to hand. If You wish to make a claim the full details will need to be submitted in writing.

ARAG will administer the claim on behalf of the Company. If a solicitor is required to deal with Your legal problem the Claims Administrator will appoint one from their approved panel of solicitors. These solicitors have been carefully chosen as experts in the area of law covered by this Section and they are required to comply with strict service standards set out by the Claims Administrator.

Special Notes

You must read this Section, the policy schedule and any endorsement as one document.

The proposal or any information You have supplied will be included in the contract. This Section will cover the Insured Person for any insured incident arising in connection with the business shown in the policy schedule if You have paid the premium.

The Company agrees to provide the insurance in this Section in line with the cover shown in the policy schedule as long as:

- (a) the date the insured incident happens is during the Period of Insurance and within the Territorial Limit;
- (b) any legal proceedings will be dealt with by a court, or other body which the Claims Administrator agrees to, in the Territorial Limit; and
- (c) in civil claims it is always more likely than not that You will recover damages (or get any other legal remedy which the Claims Administrator has agreed to) or make a successful defence.

For all insured incidents, the Company will help in appealing or defending an appeal as long as the Insured Person tells the Claims Administrator within the time limits allowed that they want to appeal. Before the Company pays any Costs and Expenses for appeals, the Company must agree that it is always more likely than not that the appeal will be successful.

If You use an Appointed Representative, the Company will pay the Costs and Expenses for this.

The Company will pay the Financial Compensation Awards that the Claims Administrator has agreed to.

For Cover 4(a) Bodily Injury claims, the Company will pay the application fee required by the Personal Injuries Assessment Board (PIAB).

How we deal with Tax Protection Claims under Your Commercial Legal Protection Policy

Your business is required by law to submit accounts and pay tax to the Revenue Commissioners. This policy will pay your accountant's fees if the Revenue Commissioners carry out an audit of your business accounts provided that these guidelines are followed.

Notifying us of your claim

- (1) If you receive notification from the Revenue Commissioners, you or your accountant can contact us by phone on 01 670 7470. The Claims Administrator can send you a claim form and give you advice about how to make your claim. The Claims Administrator cannot confirm cover for your claim over the phone.
- (2) When the Claims Administrator receives the information they need to help you with your claim they will appoint an accountant to act for you. If you wish us to appoint your own accountant you must send us the person's name and address when you send us your completed claim form. The accountant appointed by us to act for you is referred to as the "appointed representative" in your policy and in the guidelines below. The Company will not pay for any accountant's fees that have been incurred for work carried out before the Claims Administrator has accepted your claim.

Handling your claim

- (3) Tax Protection covers the cost of negotiating on your behalf and representing you in any appeal proceedings in respect of a Revenue Audit.
- (4) Once the Claims Administrator has accepted your claim and have appointed an accountant to deal with it they will agree with the appointed representative what work is to be carried out on your behalf and the fees that are to be covered under your policy. If it is not possible to agree a budget with the appointed representative, the Claims Administrator reserves its right to limit the sum payable under the policy to an amount that is necessary and reasonable in the circumstances.

- (5) The Revenue Commissioners will request information about your accounts. The appointed representative will prepare this information. They may also be required to meet with the Revenue. Your policy will cover the cost of any necessary meetings provided that the Claims Administrator has consented to your accountant attending. If it is not possible to negotiate a settlement with the Revenue Commissioners and you wish to appeal against the tax demanded the Claims Administrator will pay for the appointed representative to represent you in appeal proceedings provided it is always more likely than not that the appeal will be successful.
- (6) If at any time during the audit the level of fees that the Claims Administrator has agreed with the appointed representative is expected to change the Claims Administrator must be informed of any additional work considered necessary and agree in advance any additional accountant's costs to be paid under your policy.

When we cannot help

- (7) Please note it is a condition of your policy that you have taken reasonable care to ensure all returns are complete and correct and are submitted within the statutory time limits allowed.
- (8) If the appointed representative has to carry out routine accounting or corrective work you will need to pay any fees for this out of your own funds. It is not normally considered appropriate for accountants to carry out review work on records prior to submission to the Revenue Commissioners but if the appointed representative considers this necessary the Claims Administrator will pay the cost of this provided that they have consented to the work being carried out.
- (9) The Company will not pay accountant's costs that have been incurred because the appointed representative has failed to follow the procedures the Claims Administrator has specified or has charged fees that the Claims Administrator has not agreed to pay.
- (10) Please note the exclusions in relation to dishonesty.

Settling your claim

- (11) The Claims Administrator will tell the appointed representative about how they will settle their invoice when the audit has been completed.

Other types of Tax Protection claims

Disputes arising from Employers' compliance with PAYE or PRSI contributions following an audit by the Revenue Commissioners or department of Social Community and Family Affairs; and appeals in relation to VAT assessments are also covered by this section. If you need to notify us of a claim that arises from either of these circumstances please follow the instructions outlined in 1 and 2. The Claims Administrator will adopt a similar approach when dealing with these claims as for Revenue Audits (refer to paragraphs 6 to 10) although the actual work carried out by the appointed representative will differ. Please note the Claims Administrator cannot cover disputes with the Revenue Commissioners that result from your failure to register your business for VAT.

Procedure for Appointed Representatives when dealing with Tax Protection Claims

The information below details the procedure to be followed by the appointed representative when dealing with your Tax Protection claim. The Claims Administrator will send these instructions to the appointed representative when they appoint them to deal with your claim.

Instructions for the Appointed Representative

In our experience it is normally necessary for the appointed representative to undertake the following work;

(1) Provide information requested in the Revenue Commissioner's initial letter

This should not involve significant re-analysis work. If the information is available, albeit in slightly different form in your working papers, the Revenue should be invited to accept it as it is in your papers.

(2) Submission (or making available) of business records

Responsibility for the retention and orderly maintenance of business records rests with the policyholder. The Claims Administrator will not expect to incur significant professional costs associated with their submission to revenue. It will not normally be considered appropriate for the appointed representative to carry out review work on the records prior to submission to the Revenue. If it is felt that any such work is necessary, advance agreement of the costs is required. Please send us a copy of the covering letter sent with the audited accounts at the time of filing.

(3) Submission of private financial information, if appropriate to the audit.

(4) Identify reason for audit.

(5) Possible limited further correspondence preparatory to any meeting with the Revenue.

(6) Meeting with the Revenue Inspector.

Where appropriate, meetings with the Revenue can be a productive means to resolve outstanding issues. However, the time involved inevitably makes them expensive in terms of professional fees. It is therefore vitally important that the purpose of the meeting be clearly agreed, in so far as possible in advance, so that the meeting time can be used effectively to resolve remaining issues. The reasons for a meeting should be set out by the Revenue along with the subjects for discussion. It is particularly important that the Revenue be asked to set out in advance any issues which the policyholder may be unlikely to be able to answer from memory, in order to facilitate closure of the audit.

As in all insurances there is an obligation for the policyholder and on the appointed representative acting for them to take reasonable steps to minimise the costs payable under the policy. The Company will only pay for one member of the appointed representative's firm to be present at the audit and that the Claims Administrator expects where possible that preparatory work prior to the audit and subsequent to it be done by junior members of staff.

At the end of the above process it will be apparent whether the audit can be drawn to a close or whether the Revenue has significant concerns about the accuracy of the returns.

Section 6 - Fidelity guarantee

Any moneys in respect of any one of the Employees in respect of whom a claim is made in the hands of the Insured and any moneys which but for any act of fraud or dishonesty committed by such one of the Employees would have been due to that Employee from the Insured shall be deducted from the amount of the loss under this Section. Conditions

The following conditions apply to this Section.

(Also refer to the General conditions – all Sections at the beginning of this booklet).

Claims Conditions

If in relation to any Claim, The Organisation fails to fulfil or observe the requirements imposed upon it by (1), (2) or (3) The Organisation or any Insured Person will lose their right to indemnity or payment for that Claim.

(1) Claims Notification

If during the Period of Insurance, regardless of any Excess, The Organisation or any Insured Person

- (a) receive any Claim, The Organisation shall give written notice to Us as soon as practicable
- (b) become aware of any circumstance that might give rise to a Claim, The Organisation shall give written notice to Us of such circumstance as soon as practicable. Any Claim subsequently arising from any circumstance notified to Us shall be deemed to have been made during the Period of Insurance in which the notice of such circumstance was first received by Us.
- (c) discover a reasonable cause for suspicion of any dishonesty or fraud on the part of any Insured Persons, whether giving rise to a Claim or not, The Organisation shall give written notice to Us of such discovery as soon as practicable.

Provided always that any such written notice under any part of this Condition (1) is received by Us during the Period of Insurance.

Any written notice should be sent to:

Your Insurance Broker or Aviva.

Remember to quote your policy number in any correspondence.

(2) Admission of Liability

In the event of a Claim or the discovery of a circumstance that might give rise to a Claim, The Organisation or any Insured Person must not admit liability for or settle any Claim, or incur any related costs or expenses, without Our written consent.

(3) Claims Control and Subrogation

In the event of a Claim or the discovery of a circumstance that might give rise to a Claim, We will be entitled, at Our own expense at any time, to take over and conduct in the name of an Insured Person the defence or settlement of any such Claim or circumstance.

We shall not settle any Claim without the consent of the Insured Persons. If however the Insured Persons shall refuse to consent to any settlement recommended by Us, then Our liability for such Claim (including Defence Costs) shall not exceed the amount for which the Claim could have been settled inclusive of Defence Costs, incurred with their consent up to the date of such refusal and then only up to the Limit of Indemnity stated in The Schedule.

If We do take over and conduct the defence or settlement of any such Claim, The Organisation or any Insured Person shall give Us all such information and assistance as We may reasonably require and that is in The Organisation's or any Insured Persons power to provide.

Without prejudice to the generality of the above, Your duty to assist Us includes

- (a) providing all such information, assistance, signed statements or depositions as may be required to facilitate compliance with any civil procedure rules, practice directions and pre-action protocols as may be issued.
- (b) allowing Us to present the best possible defence of a Claim within the time constraints available.
- (c) ensuring ready access to all and any information that We may require in the defence of a Claim or investigation of a loss.
- (d) ensuring the payment, on demand, of the Excess in conjunction with the terms of any settlement agreed by Us.

We retain all rights of recovery available to The Organisation or any Insured Person in respect of any payment which may be made under this Section.

General Conditions

Allocation

We will do all that is reasonably required to determine a fair and equitable allocation between any Loss which is indemnified and any other losses or costs which are not indemnified under this Section taking into account the relative legal liability of each party involved.

If We cannot agree on a fair and equitable allocation with The Organisation or the Insured Person, then the issue will be referred to a senior barrister (to be mutually agreed upon by the Insured Person, The Organisation and Us) for arbitration whose decision shall be binding on all parties.

Authorisation

The Organisation shall act on behalf of any Insured Person or any other persons who may be entitled to indemnity under this Section in respect of

- (1) the notification of any Claims in accordance with this Section's Claims Conditions (1), (2) and (3).
- (2) the payment of premiums or the receiving of any return premiums that may become due under this Section.
- (3) the negotiation, agreement to an acceptance of renewal terms, and endorsements applying to this Section.

Change of Control

If

- (a) an offer is made, and declared or made unconditional, for the whole, or a controlling interest in the issued share capital of The Organisation or
- (b) there is a change in ownership of the controlling interest of the share capital of The Organisation

We will only provide indemnity in respect of any Wrongful Act committed prior to the date such offer was declared or made unconditional or the change of ownership became effective.

Jurisdiction

This Section is subject to the relevant law of the Republic of Ireland applicable to The Organisation's main address as stated in The Schedule.

In the event of any dispute, the law of the Republic of Ireland will have exclusive jurisdiction for hearing and determining any litigation arising out of or in connection of this Section.

Liquidation

In the event of The Organisation's liquidation, the Section shall remain in force until the expiry date of the Period of Insurance unless cancellation is requested by all of The Organisation's directors. We will continue to provide indemnity but only in respect of any Claim as the result of a Wrongful

Act prior to the date of liquidation.

The date of liquidation will be deemed to be the date on which

- (1) a resolution for voluntary liquidation is passed by The Organisation or
- (2) a petition for compulsory liquidation is presented to the relevant authority.

Other Insurances

If any Insured Person is, or would be but for the existence of this Section, entitled to indemnity under any other Insurance in respect of any Claim or Loss, We shall not be liable for any Loss or Defence Costs except in respect of any amount in excess of that which would have been payable under such insurance had this Section not been affected.

Prospect of Success

We shall not be required to contest or continue to contest any Claim or legal proceedings if at any stage a senior barrister (to be mutually agreed upon by The Insured Persons and Us) shall advise that such action does not have a reasonable prospect of success.

Public or Private Offering

If The Organisation makes a Public or Private Offering during the Period of Insurance, no indemnity will be provided under this Section for any Claims arising directly or indirectly from such Offering until The Organisation has provided written notice to Us, including any information reasonably required, and We give Our consent and state such on The Schedule.

We reserve Our rights to amend the terms and conditions of this Section in respect of such Offering.

Severability

For the purposes of determining indemnity under this Section, no knowledge possessed or any statement made in any Proposal by any single Insured Person shall be imputed to any other Insured Person.
