If there is a disagreement between the insured person and us about the handling of a claim and it is not resolved through our internal complaints procedure the insured person can contact the Financial Services and Pensions Ombudsman (FSPO) for help. Details available from www.fspo.ie. Alternatively there is a separate arbitration process. The arbitrator will be a barrister chosen jointly by the insured person and us. If there is a disagreement over the choice of arbitrator, we will ask the Chartered Institute of Arbitrators to decide.
- 9. We may require the insured person to get, at their own expense, an opinion from an expert, that we consider appropriate, on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by us and the cost agreed in writing between the insured person and us. Subject to this the insurer will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the insured person will recover damages (or obtain any other legal remedy that we have agreed to) or make a successful defence.
- 10. We will, at our discretion, void this section of the policy (make it invalid) from the date of claim, or alleged claim, and/or the insurer will not pay the claim if:
 - claim the insured person has made to obtain benefit under this policy is fraudulent or intentionally exaggerated, or
 - false declaration or statement is made in support of a claim.
- 11. The insurer will not pay any claim covered under any other policy, or any claim that would have been covered by any other policy if this section of the policy did not exist.
