Your contract with us

Thank you for buying the cyber insurance policy from us, HSB Engineering Insurance Limited (HSBEIL). We are pleased that you have chosen our policy, and we will work hard to make sure that you are happy with the cover and service you receive.

The policy is a legal contract between:

- you, the person or organisation shown in the schedule as 'The insured'; and
- us.

The policy is made up of this document, the schedule setting out details of your cover, and any endorsements shown in the schedule. These make up the entire contract between you and us and must be read together. Please keep them all safely together.

We used the information you gave us in your proposal, and any further information you have provided, as confirmed in our quotation and statement of fact document, to decide whether to insure you. If any of that information was not accurate or was incomplete, this could affect the validity of your policy, the scope of cover available, the terms applicable to your policy or the amount paid out on a claim under the policy (see 'Your responsibility to provide us with correct information under 'Important information').

If you pay the premium shown in the schedule, and keep to the terms and conditions of the policy, you will be covered under the sections of this document shown in the schedule for the **period of insurance**.

- headings are only to help you find the information you need, they do not form part of the policy wording;
- words which appear in the singular include the plural and vice versa;
- words which appear in the present tense include the past tense and vice versa; and
- any words after the terms 'including', 'include', 'in particular', 'for example' or any similar expressions are examples and will not limit the meaning of the words.

Your policy

This document, together with the schedule and any endorsements shown in the schedule, contains the information you need to know about your insurance. This document contains important information such as the terms and conditions of your insurance and how to contact us. The schedule and endorsements show:

- which sections of this document apply;
- the **sum insured** or **limit of liability** (the maximum amount of cover you have) for each section;
- any extra cover you have; and
- the premium.

Please keep the schedule with this document. We will send you a new schedule whenever there is a change to your insurance. We will also send you renewal documents each year before the renewal date shown, so you can check that the cover still meets your needs.

Your policy provides cover against specified events. Read this policy carefully to make sure that it meets your needs and you understand what is and is not covered. If there is anything you need to change or do not understand, contact the person who arranged this insurance for you, or you can contact us. You can find the contact details for your local HSBEIL office on our website at www.hsbeil.com.

Your responsibility to provide us with correct information

You, or anyone acting for you, must answer all the questions we may ask in respect of:

- your proposal of the risk to be insured; and/or
- information you voluntarily provide;

both honestly and with reasonable care.

You should therefore, take care to check that the responses provided in the statement of fact prior to its submission to us is complete, accurate and not misleading in any way.

You must do so not only when you first buy your policy, but also at each renewal and/or if you ask us to make a mid-term change to your policy during the **period of insurance**.

If you do not answer the questions detailed in the statement of fact correctly, or you provide incorrect or misleading information in support of your proposal, this may affect the validity of your policy or the terms on which cover is provided as follows:

- Where there has been a misrepresentation by you prior to entering into the policy and the misrepresentation is deemed to be fraudulent, we will treat your policy as if it never existed, refuse all claims and keep any premium you have paid. If your misrepresentation occurs during a change to your policy we will terminate your policy from the date of that change, refuse subsequent claims and keep any premium you have paid.
- Where there has been a misrepresentation by you prior to entering into the policy and the misrepresentation is deemed to be negligent (but not fraudulent) we will treat your policy in the way we would have done had we been aware of the full facts as follows:
 - Where we would not have entered into the policy on any terms had you provided us with the correct information, we may treat your policy as if it never existed, refuse all claims and return any premium you have paid. If your misrepresentation occurs during a change to your policy we may cancel your policy from the date of that change, refuse subsequent claims and return any extra premium you have paid.
 - Where we would have issued or changed your policy on different terms (other than those relating to premium) had you provided us with the correct information, we may alter the terms of your policy to those we would have imposed (other than those relating to premium). If we would have charged a higher premium, we may reduce the amount paid or payable on any claim in proportion to the amount of any additional premium that we would have charged.
- Where there has been a misrepresentation by you and the misrepresentation is deemed to be innocent, we will not cancel your policy.

Your rights to cancel your policy

Cooling-off period

You have 14 working days to make sure that you are happy with the cover provided. You can cancel the policy by telling the person who arranged this insurance for you, or by telling us in writing, and returning the schedule. This 14-working day period, known as the 'cooling-off period', starts on:

- the day you receive your policy; or
- the date the **period of insurance** starts;

whichever is later.

If you do cancel the policy within the cooling-off period we will treat your policy as if it never existed and refund all the premium you have paid.

This does not alter your rights under the European Union (Insurance and Reinsurance) Regulations 2015 (S.I. No. 485 of 2015) or the European Communities (Distance Marketing of Consumer Financial Services) Regulations 2004 (S.I. No. 853 of 2004), where applicable.

Important information

After the cooling-off period

You can cancel your policy at any time during the **period of insurance** by telling the person who arranged this insurance for you, or by telling us in writing, and returning the schedule. If you have made a claim, you will not get a refund. If you have not made a claim, when we receive your notice and schedule, we will cancel the policy and send you a refund. That refund will be a percentage of the year's premium, based on the number of days left in the **period of insurance**. If the amount of premium you have actually paid does not cover the period you have been insured for, you must pay us the difference.

Our rights to cancel your policy

We may cancel your policy if you do not keep to:

- general condition 5 - 'Caring for your hardware';
- general condition 12 - 'Paying the premium'; or
- general condition 14 - 'Right to survey and request risk improvements'.

If we cancel your policy because you have not kept to the general conditions shown above, we will send at least 14 days' written notice to the last known address we have for you. We will provide the reason for cancellation and refund a percentage of the premium based on the number of days left in the **period of insurance**. There will be no cancellation fee however you must pay us any amount you still owe for the period during which you have been insured.

Other important terms that may affect your cover

You must meet the requirements contained in any **condition precedent** set out in the policy. If you do not keep to these requirements our liability under the policy will be suspended from the time of the breach until the time when the breach is remedied. During this period, known as the 'period of suspension' you will not be able to bring a claim under the policy and we will not be legally liable to pay that claim.

as long as you can demonstrate that you have good reason to believe that the threat is not a hoax, and you have reported it to An Garda Síochána.

How much we will pay

The most we will pay for each **occurrence** is the **sum insured** plus any 'Extra cover limits' shown for section 3 in the schedule, regardless of the number of people or organisations insured by your policy. If the **occurrence** is the result of a **cyber attack**, the amount we pay may be limited by the 'Cyber attack limit'. The 'Cyber attack limit' is shown in the schedule and is explained more fully in general condition 7 - 'Cyber attack limit'.

What we will not pay for

We will not pay for the following.

1. Credit-card or debit-card fraud

Any financial loss resulting from actual or alleged fraudulent use of a credit card or debit card.

2. Fraudulent credit applications

Any financial loss resulting from a fraudulent application for credit or the provision of false details in applying for credit or opening an account with you.

Section 4 - Cyber liability

As well as the claim conditions, general conditions and general exclusions, the following terms and conditions apply if the schedule shows that you have cover under section 4.

For the purposes of this section 4, references to 'you' also mean any of your **employees** or **directors and officers**.

What we will pay for

If section 4 is shown as insured in the schedule, we will pay **damages** and **defence costs** arising from a claim first made against you during the **period of insurance** and in the course of your **business** as a result of:

- you or your **service provider** failing to secure, or prevent unauthorised access to, publication of or use of **data** (including any interference with any right to privacy or publicity, breach of confidence or your **data privacy obligations**);
- you unintentionally transmitting, or failing to prevent or restrict the transmission of, a **computer virus, hacking attack** or **denial of service attack** from your **computer system** to a third party; or
- loss of reputation (including that of a product) or intellectual property rights being infringed (broken, limited or undermined) as a result of:
 - the content of any emails distributed by your **computer system**;
 - the content of your website;
 - online promotional marketing material; or
 - other **data** processed or distributed by your **computer system**.

How much we will pay

Limit of liability

The most we will pay for all claims we accept under the policy arising out of one **occurrence** is the **limit of liability** plus any 'Extra cover limits' shown for section 4 in the schedule, regardless of the number of claims or claimants. If the **occurrence** is the result of a **cyber attack**, the amount we pay may be limited by the 'Cyber attack limit'. The 'Cyber attack limit' is shown in the schedule and is explained more fully in general condition 7 - 'Cyber attack limit'.

Defence costs

Any **defence costs** we pay will be within, not on top of, the **limit of liability**.

Paying out the limit of liability

For any and all claims arising out of any one **occurrence** we may pay the full **limit of liability** that applies to that **occurrence**.

When we have paid the full **limit of liability** for claims arising out of one **occurrence**, we will not pay any further amounts for claims arising from the same **occurrence** or for associated **defence costs** arising after we pay the full **limit of liability**.

Extra cover

If we have agreed to provide any of the extra cover below, this will be shown in the 'Extra cover limits' in the schedule and we will not pay more than these limits for each **occurrence**.

1. Attending court

We will pay you compensation, at the rates shown in the schedule, if we ask you to attend court as a witness in connection with a claim made against you that is covered under this section.

2. Fines and penalties

Following a claim against you, we will pay fines, penalties, liquidated damages (agreed damages or penalties you have to pay under a contract) and **defence costs** which you become legally obliged to pay as the result of you not keeping to your **data privacy obligations**, except for fines and penalties which you cannot insure against by law.

3. Removing data

We will pay the cost of removing or withdrawing **data** from the internet or other source available to the public, as long as that would avoid or reduce a claim against you.

Special conditions applying to section 4

The following conditions apply to this section. If you do not keep to any condition of the policy, and that condition is relevant to your claim, we may refuse to pay part or all of the claim.

1. Data protection authority

You must have paid the relevant data protection fee to or registered with, the supervisory authority established for the purpose of monitoring the application of data protection regulations that applies to your **business** unless you are exempted from doing so by the relevant legislation.

- any of your parent or subsidiary companies; or
- any company which you are a director, officer, partner or employee of and have a financial interest in.

This exclusion does not apply to **personal data** relating to **employees** or **directors and officers** as long as any benefit they receive is no more than any third party would receive.

2. Deliberate defamation or disparagement

Defamatory or disparaging statements or publications made deliberately or recklessly if a reasonable person could anticipate that the statements could result in a claim against you.

3. Employer liability

You failing to keep to any obligation you have to your **employees** or **directors and officers**, unless this is specifically insured by your policy after your **data privacy obligations** have not been met.

4. Financial reporting

7. Product liability or professional indemnity

Goods, products or software you have sold, supplied, manufactured, constructed, installed, maintained, repaired, altered or treated, or any inadequate or incorrect advice or services you have provided.

Section 5 - Data-breach expense

As well as the claim conditions, general conditions and general exclusions, the following terms and conditions apply if the schedule shows that you have cover under section 5.

For the purposes of this section 5, references to 'you' also mean any of your **employees** or **directors and officers**.

What we will pay for

If section 5 is shown as insured in the schedule, and during the **period of insurance** you discover that you have failed to keep to your **data privacy obligations** in the course of your **business**, we will pay the following.

- The cost of hiring professional legal and forensic information-technology services to investigate and tell you how you should respond.
- The cost of informing affected parties, the regulator of data privacy issues, and other relevant third parties or organisations worldwide.
- The cost of providing the following support services to affected parties as the result of you failing to keep to your **data privacy obligations**:
 - Credit monitoring, protecting against identity theft and helping affected parties to correct their credit records and take back control of their personal identity; and
 - Providing a helpline to respond to enquiries after informing affected parties.

These services will only be provided for 12 months, and only if:

- the **data privacy obligations** you have failed to keep to relate to **personal data**; or
 - you must provide the relevant service under your **data privacy obligations**.
- Public-relations and crisis-management expenses, if we have agreed in writing, for communicating with the media, your customers and the public to minimise damage to brands and business operations, and any damage to your reputation.

How much we will pay

The most we will pay for each **occurrence** is the **sum insured** plus any 'Extra cover limits' shown for section 5 in the schedule, regardless of the number of people or organisations insured by your policy. If the **occurrence** is the result of a **cyber attack**, the amount we pay may be limited by the 'Cyber attack limit'. The 'Cyber attack limit' is shown in the schedule and is explained more fully in general condition 7 - 'Cyber attack limit'.

Extra cover

If we have agreed to provide any of the extra cover below, this will be shown in the 'Extra cover limits' in the schedule and we will not pay more than these limits for each **occurrence**.

1. Security audit

If the failure to keep to **data privacy obligations** insured by your policy resulted from security weaknesses in your **computer system**, we will pay the reasonable cost of a professional consultant carrying out an audit of your **computer system** to assess the security weaknesses and advise you on how to make improvements.

Special conditions applying to section 5

The following conditions apply to this section. If you do not keep to any condition of the policy, and that condition is relevant to your claim, we may refuse to pay part or all of the claim.

1. Data Protection Authority

You must have paid the relevant data protection fee to or registered with, the supervisory authority established for the purpose of monitoring the application of data protection regulations that applies to your **business** unless you are exempted from doing so by the relevant legislation.

2. Protecting data

You must make sure that the appropriate procedures are in place for disposing of and destroying **hardware** and hard copy files in order to protect **data**.

What we will not pay for

We will not pay for the following.

1. Data-recovery expenses

The cost of restoring and recreating **data**.

2. Deficiency or improvements

The cost of correcting any failings in procedures, systems or security.

Section 6 - Cyber event – loss of business income

As well as the claim conditions, general conditions and general exclusions, the following terms and conditions apply if the schedule shows that you have cover under section 6.

What we will pay for

If section 6 is shown as insured in the schedule, we will pay you for your loss of **business income** during the **indemnity period** resulting from a **cyber event**, or **prevention of access** you discover during the **period of insurance**.

How much we will pay

The most we will pay for each **occurrence** is the **sum insured** plus any 'Extra cover limits' shown for section 6 in the schedule, regardless of the number of people or organisations insured by your policy. If the **occurrence** is the result of a **cyber attack**, the amount we pay may be limited by the 'Cyber attack limit'. The 'Cyber attack limit' is shown in the schedule and is explained more fully in general condition 7 – 'Cyber attack limit'.

The amounts we will pay under this section will be based on your **business income** during the 12 months before the **cyber event** or **prevention of access**, as recorded in your accounts. We will make adjustments to reflect trends and circumstances which may affect the **business income**, or which would have affected the **business income** whether or not the **cyber event** or **prevention of access** had happened.

Extra cover

If we have agreed to provide any of the extra cover below, this will be shown in the 'Extra cover limits' in the schedule and we will not pay more than these limits for each **occurrence**.

1. Accountants' fees

We will pay the reasonable cost of you providing us with the information we need to work out the amount we should pay, as a result of:

- extra staffing costs; and
- extra fees charged by your usual auditors or accountants.

What we will not pay for

We will not pay for the following.

1. External network failure

Any loss of **business income** caused by or resulting from the failure or interruption of any electrical power supply network or telecommunication network not owned and operated by you. This exclusion shall not apply to loss of **business income** caused by or resulting from physical damage, if otherwise insured by your policy, to the electrical power supply network, telecommunication network or other property.

Telecommunication networks include the internet, internet service providers, Domain Name System service providers, cable and wireless providers, internet exchange providers, search engine providers, internet protocol networks (and similar networks that may have different designations) and other providers of telecommunications or internet infrastructure.

2. Time excess

Loss of **business income** or any other cost during the period of the **time excess**.

Cover applying to multiple sections

What we will pay for

- Section 1 - Hardware;
- Section 2 - Data corruption and extra cost; and
- Section 6 - Cyber event - loss of business income;

General exclusion 14 - Terrorism will not apply to any claim cost or loss caused by or resulting from **computer virus, hacking or phishing or denial of service attack** other than any claim cost or loss caused by or resulting from:

- any alteration, modification, distortion, erasure or corruption of **data**;

whether your property or not that;

- results directly from fire, explosion, flood, escape of water from any tank, apparatus or pipe (including any sprinkler system), impact of aircraft or any aerial devices or articles dropped from them, impact of any sea-going or water-going vessel or of any vehicle whatsoever or of any goods or cargo carried in or on such vessel or vehicle, destruction of, damage to or movement of buildings or structures, plant or machinery other than any **computer system**; and

- comprises;

- the cost of reinstatement, replacement or repair in respect of **damage to hardware**;
- loss of **business income** or extra costs to prevent or reduce the disruption to the functions carried out by your **computer system** as a direct result of either **damage to hardware** or as a direct result of denial, prevention or hindrance of access to or use of the **hardware** by reason of an **act of terrorism** causing damage to other property within one mile of the **hardware** to which access is affected; and
- is not caused by an **act of terrorism** in relation to which the relevant organisation or any persons acting on behalf of or in connection with that organisation are controlled by, acting on behalf of or part of any de jure or de facto government of any nation, country or state.

Special definitions

In respect of this cover only:

- **Computer system** means a computer or other equipment or component or system or item which processes stores transmits or receives **data**.
- **Data** means data of any sort whatever, including without limitation tangible or intangible data, and any programs or software, bandwidth, cryptographic keys, databases, documents, domain names or network addresses or anything similar, files, interfaces, metadata, platforms, processing capability, storage media, transaction gateways, user credentials, websites, or any information whatever.
- **Phishing** means any access or attempted access to **data** made by means of misrepresentation or deception.

How much we will pay

The most we will pay for each **occurrence** is the **sum insured** shown for the respective section of the policy shown in the schedule, regardless of the number of people or organisations insured by your policy.

Extra cover applying to all sections

If we have agreed to provide any of the extra cover below, this will be shown in the 'Extra cover limits' in the schedule and we will not pay more than these limits for each **occurrence**.

1. Avoiding corruption

If we have agreed in writing:

- we will pay the reasonable cost of locating and removing a **computer virus** from your **computer system** which has not necessarily caused any **damage** or disruption; and
- where a **computer virus** or **hacking** attack has affected your **computer system** during the **period of insurance**, we will pay the reasonable cost of hiring professional consultants to make recommendations on how to prevent your **computer system** from being infected by **computer virus** or to prevent **hacking**.

2. Investigation cost

If we accept a claim for **damage** or other loss, and we agree in writing, we will pay the reasonable cost of investigating possible repair, replacement or restoration.

3. Loss-prevention measures

We will pay the reasonable cost of preventing or minimising actual or expected **damage** or other loss covered by the policy, as long as:

- **damage** or other loss would be expected if the measures were not taken;
- we are satisfied that the **damage** or other loss has been prevented or minimised by these measures; and
- the cost is limited to the cost of **damage** or other loss which would have been caused.

The full terms and conditions of the policy apply as if **damage** or other loss covered by the policy had arisen.

4. Temporary and fast-tracked repair

If we accept a claim for **damage** or other loss, we will pay an additional amount (limited to a proportion shown in the schedule) for the cost of making temporary repairs and fast-tracking a permanent repair, replacement or restoration.

Claim conditions

You must comply with the following conditions whenever you need to make a claim under the policy. If you do not meet these conditions, we may refuse to pay part or all of your claim.

1. Reporting a claim

It is a **condition precedent** of your policy that as soon as you know about any incident or circumstance that may give rise to a claim you must tell the person who arranged the policy (or us), providing full details, as soon after the incident or circumstance as possible. In the event that we suffer any prejudice by any delay in notification, we will be entitled to refuse liability for the claim.

2. Claims co-operation

It is a **condition precedent** of your policy that as soon as you know about any incident or circumstance that may give rise to a claim you must also:

- take all reasonable steps and precautions to prevent further **damage**, loss of **business income** or other loss covered by your policy;
- immediately tell An Garda Síochána about any loss or **damage** relating to crime and get a crime reference number;
- keep any **damaged hardware**, other property covered by your policy and other evidence and allow us to inspect it; and
- give us details of any other insurances you may have which may cover **damage**, loss of **business income**, **damages**, **defence costs** or other loss insured by this policy.

In the case of you knowing about an incident or circumstance that has resulted in, or may result in:

- a claim being made against you;
- you receiving a demand for **damages**;
- you receiving a notice of regulatory action; or
- you receiving a notice of any other process seeking **damages**;

you must:

- immediately send us every letter, writ, summons or other document you receive in connection with the claim or circumstance, and record all information relating to a claim against you that is covered under section 4 - 'Cyber liability';
- co-operate with us fully and provide in a timely manner all the information and assistance we may require to investigate your claim or circumstance;
- tell us if lost or stolen **hardware** is recovered or if you recover money from a third party (you may need to give the **hardware** or money to us); and
- not admit responsibility or liability, or agree to pay any money or provide any services on our behalf, without our written permission.

3. Fraudulent claims

If you make a claim that you know is in any way false or exaggerated, or if any claim contains information that is false or misleading in any material respect, or if any **damage** is caused by a wilful act by you or you are knowingly involved, or knowingly abetted or colluded in the fraudulent act of another person, or consented to the fraudulent act of another person, then we shall be entitled to:

- not pay the claim;
- recover from you any sums previously paid by us in respect of the claim;
- treat this policy as being terminated with effect from the date of the fraudulent act; and
- cancel any other policies you have with us.

We may also report the matter to An Garda Síochána and notify any other relevant organisations of the circumstances.

If the policy is treated as having been terminated on grounds of fraud, we shall:

- be entitled to refuse all liability under the policy in respect of any losses occurring after the time of the fraudulent act; and
- not be liable to refund any premiums paid under the policy.

However these remedies will not be available against any other party insured under the policy that was not implicated in the fraudulent act.

4. Enforcing your rights

We may, at our expense, take all necessary steps permitted by law to enforce your rights against any third party, other than in circumstances explained under claim condition 5 - 'Waiver of subrogation rights'. We can do this before or after we pay a claim. You must not do anything before or after we pay your claim to affect our rights and you must give us any help and information we ask for.

You must take reasonable steps to make sure that you protect your rights to recover amounts from third parties.

5. Waiver of subrogation rights

We agree to give up our rights to recover any amounts from:

- your parent company or a subsidiary company of yours;
- any company which is a subsidiary of your parent company;
- any user of your **hardware**, other than a **service provider**, authorised in writing by you before an insured loss; or
- any **employee** or your **directors and officers**, unless an insured loss happens as a result of a dishonest, fraudulent, criminal or malicious act or decision.

This will only apply if any of the above keep to the terms and conditions of your policy as if they were you.

Claim conditions

6. Controlling defence

We can, but do not have to, take control of investigating, settling or defending any claim made against you. We would take this action in your name. If necessary, we will appoint an adjuster, solicitor or any other appropriate person to deal with the claim. We may appoint your solicitor, but only on a fee basis similar to that of our own solicitor, and only for work done with our permission in writing. We will only defend claims if we think that there is a reasonable chance of being successful, and after taking the costs of the defence into account.

7. Other insurances

If there is any other insurance policy covering your claim either wholly or in part we will not pay for **damage**, legal liability or any other loss other than in respect of any excess beyond the amount which would have been covered under the other insurance policy had this policy not been taken out.

8. Salvage and recoveries

If you have made a claim and you later recover your **hardware**, or recover money from a third party, you must tell us immediately. If we have paid the claim, you may have to give the **hardware** or money to us.

If we have paid a claim and we then recover your **hardware**, or recover money from a third party, we will give you any proceeds over and above the amount we paid you in connection with the claim after the deduction of any administrative and legal costs incurred in pursuing the third party for a recovery.

Any amount due from you or us must be paid as soon as reasonably possible.

General conditions

The following conditions apply to the whole policy. If you do not keep to any condition of the policy, and that condition is relevant to your claim, we may refuse to pay part or all of the claim.

1. 72 hours clause

For any claim resulting from earthquake, storm or flood, all **damage** or other loss arising within a 72-hour period will be considered to be a single **occurrence** and so there will be a single **sum insured** or **limit of liability** and a single **excess** or **time excess**. You can choose the moment the 72-hour period starts, as long as it ends within the **period of insurance**.

2. Abandonment

You are not entitled to abandon your **hardware** whether or not we have taken possession of it.

3. Advice

We do not provide advice about the insurance products that we sell.

4. Alteration in risk

As soon as you (or anyone acting for you) become aware of any change in circumstance which may affect the policy, you must notify us of the change in writing immediately. We will decide if the change alters the nature of the risk insured and if we need to change the terms and conditions of your policy, including the premium, as a result. This applies to any material change in the subject matter of the policy which arises, whether it is before or during the **period of insurance**, including before we renew your policy.

If you do not inform us of a change in circumstance which alters the risk, this may result in a claim being declined or a reduction in any claim settlement.

Your cover will not be affected by any change in circumstance where the risk of **damage** has altered either without your knowledge or was beyond your reasonable control.

5. Caring for your hardware

You must:

- make sure that your **hardware** is maintained, inspected and tested as recommended by the manufacturer;
- keep a record of all maintenance and **data** back-up procedures and maintenance carried out, and let us check those records;
- take all reasonable steps and precautions to prevent or reduce **damage** or other loss covered by your policy; and
- not continue to use **hardware** after **damage**, unless we have given our written permission.

If you do not keep to this condition we may be entitled to decline your claim and/or cancel your policy (see 'Our rights to cancel your policy' on page 5).

6. Contracts (Rights of Third Parties)

Any person or company who is not named in the schedule has no right to enforce any term of the policy, unless under section 21 of the Consumer Insurance Contracts Act 2019 and/or unless allowed by the law applying to this policy.

7. Cyber attack limit

The 'Cyber attack limit' is the most we will pay in total for the **period of insurance**, regardless of the number of **occurrences**, claims or claimants, for all claims, costs or losses that are the result of **cyber attack**. The 'Cyber attack limit' is shown in the schedule and will be reduced by any amounts we have already paid for claims, costs or losses arising from **cyber attack** in the **period of insurance**.

The most we will pay under any section of your policy for each **occurrence**, or under section 4 - 'Cyber liability' for all claims we accept that arose from one **occurrence** and are the result of **cyber attack**, is:

- the total of the **sums insured** or **limits of liability** and any 'Extra cover limits' for the section (as long as the section or the extra cover is relevant to a claim); or
- the 'Cyber attack limit' (as reduced by any amount previously paid);

whichever is lower.

8. Data backup

You must back up original **data** at the frequency shown in the schedule for 'Data backup'.

If a **service provider** processes or stores **data** for you, you must make sure that the terms of the contract between you and the **service provider** allow **data** to be backed up in line with this condition.

You must take precautions to make sure that all **data** is stored safely.

If you have failed to keep to this condition, we may still pay a claim if you can show that formal procedures are in place to keep to this condition and that the failure was an accidental oversight or as a result of circumstances beyond your control.

9. Defence software

Your **computer system** must be protected by a virus-protection software package which is:

- licensed to you;
- paid for and not freely available; and
- updated within the frequency shown against 'Defence software update' in the schedule.

Your **computer system** must also be protected by a firewall on all external gateways to the internet, and that firewall must be maintained.

10. Monies payable by us

All monies which become payable under this policy shall, in accordance with Section 93 of the Insurance Act 1936 and Regulation 310 of the European Union (Insurance and Reinsurance) Regulations 2015, be payable and paid in Ireland.

General conditions

11. More than one insured

If more than one insured is named in the schedule, the first named insured will receive all notices and agree any changes to the policy and will be treated as acting for all the named insureds. We will not remove any named insured without their permission.

For any claim, the total amount we will pay will not be more than the **sum insured** or **limit of liability**, regardless of the number of people or organisations insured by the policy.

12. Paying the premium

It is a **condition precedent** that you must pay the premium on or before the start of the **period of insurance** or on dates agreed by us.

If you do not pay a premium on time, we may cancel the policy (see 'Our rights to cancel your policy' on page 5).

13. Remuneration

Our employees do not receive remuneration in relation to this policy.

14. Right to survey and request risk improvements

If we ask you must provide us with access to your **insured location** at an agreed date and time to undertake a risk survey.

Following the survey in the event that full co-operation is not provided to ensure that the surveyor is given full access to the **insured location** in order to undertake a risk survey we reserve the right to:

- cancel the policy with immediate effect (see 'Our rights to cancel your policy' on page 5);
- alter the premium; and/or
- alter the terms and conditions of the policy.

If the premium and/or terms and conditions are altered you will have 14 days to accept or reject the alterations. If you choose to reject the alterations or we cancel your policy we will refund a percentage of the premium based on the number of days left in the **period of insurance**.

In the event that risk improvement requirements are recommended by the surveyor, we will provide you with a detailed list of these risk improvements in writing and the timescales within which they must be completed. It is a **condition precedent** to our liability under the policy that you comply with all risk improvement requirements we request following any survey. If you do not complete these risk improvement requirements within the set timescales then all cover under the policy will be suspended automatically and remain inoperative unless we otherwise agree in writing:

- to waive the risk improvement requirement and leave the premium, terms and conditions unaltered; or
- to an extension of the set timescales to have the risk improvement requirement completed.

All other terms and conditions of the policy continue unless otherwise agreed by us in writing.

15. Stamp Duty

Stamp duty has been or will be paid to the Revenue Commissioners in accordance with Section 5 of the Stamp Duties Consolidation Act 1999.

16. Tax

Any claim we pay will not include value added tax (VAT), unless you cannot recover part or all of the VAT you have paid.

General exclusions

The following exclusions apply to the whole of your policy.

7. Infectious agents and pandemics

Any loss, **damage**, cost or expense caused by, either directly or indirectly, in connection with, or any action taken to hinder, defend against or respond to any **infectious agent, pandemic** or **pandemic impact** or the fear or threat (whether actual or perceived) of any **infectious agent, pandemic** or **pandemic impact**.

This exclusion applies regardless of any other cause or event that in anyway contributes concurrently or in any sequence to the loss, cost or expense, and regardless whether or not there is any declaration of an outbreak of a **pandemic** by the World Health Organisation or any authorised national or international body or legal jurisdiction.

8. Intentional acts

Any intentional act, or failure to act, by you or your **directors and officers**, unless the act or failure to act is a measure to prevent or minimise injury, **damage** to your **hardware**, loss of **business income** or a claim for **damages**.

9. Nuclear risks

- Ionising radiation from, or contamination by, radioactivity from any nuclear fuel or nuclear waste, or from burning nuclear fuel.
- The radioactive, toxic, explosive or other dangerous properties of any nuclear installation, reactor or other nuclear equipment, or any nuclear part of them.

14. Terrorism

- Any **act of terrorism**, regardless of any other cause or event contributing to the **damage**, loss of **business income** or other loss.

- Any action taken to control, prevent, suppress or in any way deal with any **act of terrorism**.

In respect of:

- Section 3 – Cyber crime;
- Section 4 – Cyber liability; and
- Section 5 – Data-breach expense;

computer virus, hacking or **denial of service attack** will not be regarded as an **act of terrorism**.

15. Trading risk

General exclusions

16. War

This general exclusion does not apply to any **damage**, loss of **business income** or other loss resulting from, or caused by, weapons of war which were not discovered before the start of the **period of insurance**, as long as there is no war in the country your **hardware** is in during the **period of insurance**.

17. Wear and tear

Losses due to:
