A: Important Information

I. Disclosure of information

The contract of motor insurance is made up of the following which should be read in conjunction with each other:

- This Connect Car Policy and Your Schedule, which form one document,
- the Certificate of Motor Insurance.

It is vital that You take reasonable care to provide complete and accurate answers to the questions We ask when You take out, or renew, Your Connect Car Policy.

We have issued this Connect Car Policy to You on the understanding that the information given by You in response to our questions and any related document is true and complete and that We have been given all information as required by those questions. Where You provide information verbally, we will record this in writing and send you a copy.

You must answer all of the questions honestly and with reasonable care. We rely on the information You give us when deciding to insure you and when setting the terms and premium. Where We ask You to answer a specific question, the subject matter of the question is material to the risk we are undertaking or the calculation of the premium or both. If any of the answers to the questions are not true and complete, We may be entitled to declare the Connect Car Policy void, refuse your claim, treat your insurance as if it was entered on different terms, or reduce your claim.

If you have answered our questions honestly and with reasonable care, but if your answer includes a negligent misrepresentation (that is, not innocent or fraudulent), we are entitled to take the following actions:

- (a) If, being aware of the full facts, We would not have entered the contract on any terms, this Connect Car Policy will be treated as void from the start of the cover, and we will refuse all claims, but return your premium;
- (b) If, being aware of the full facts, We would have entered the contract on different terms, this Connect Car Policy will be treated as if it had been entered into on those different terms;
- (c) If, being aware of the full facts, We would have charged a higher premium for the contract, We can reduce your claim proportionately.

If Your answers to our questions are false or misleading, in any material respect, and You know that they are false or misleading or consciously disregard if they are false or misleading (a "fraudulent misrepresentation") or any of Your conduct involved fraud, this Connect Car Policy will be treated as void from the start. If this happens, You will no longer be covered, We will not pay any claim and We will not return any payments.

Where You are unsure of the information that is required, please let Us know.

However in certain circumstances we are entitled to use automated decision-making and profiling. These cases are restricted to situations where the decision is necessary for entering into a contract, or for administering that contract (including deciding whether to insure you, what terms may apply and what the premium will be), where it is authorised by law or where you have provided your explicit consent, which you may withdraw at any time. Where we base a decision on solely automated decision-making you will always be entitled to have a person review the decision so that you can contest it and put your point of view and circumstances forward.

In such a case we must stop processing your data unless we can demonstrate compelling legitimate interests which override your interests and you have a right to require information on the balancing test we use; and
- not to be subject to a decision based on automated processing, including profiling which has legal or similar significant affects except as set out in Section 8 above.

There are some circumstances where these rights cannot be exercised, such as when the processing of your data is necessary to comply with a legal obligation or for the exercise or defence of legal claims. If you wish to exercise any of these rights please contact us using the details in Section 11 below. We will respond to your request in writing, or orally if requested, as soon as we can and in any event within one month of your request. In exceptional cases, we may extend this period by two months, and if we do this we will tell you why. We may request proof of identification to verify your request.

10. Consequences of Failure to Provide Information

If we cannot collect or process your data, we may not be able to provide you with, or administer, your insurance policy or deal with a claim.

If we ask for information and you do not wish to give it to us, or if you wish to withdraw consent to the use of your personal data, we will explain the consequences based on the specific information concerned including whether it is a legal or contractual requirement that we use such data. Such consequences may include us refusing to provide you with an

C: General Conditions

1. Keeping to these conditions

- A. The information You gave Us in the Proposal Form or Statement of Fact declaration must be true and complete as far as You know for cover to apply under this Policy. The Proposal Form or Statement of Fact forms the basis of this contract.
- B. You, or any Insured Person who is claiming cover under this Connect Car Policy, must keep to the terms and conditions of this Connect Car Policy.
- C. You must inform Us of any relevant information or material facts that could affect either the premium (the cost of insurance) or Our decision to provide insurance – since the start date of Your Policy or since Your last renewal date (whichever is the most recent). A material change is one that takes the risk outside that which was within both Your and Our reasonable contemplation when this Connect Car Policy was concluded. We may refuse a claim made by You where there has been such a material change and We have not agreed in writing to cover this change.
- D. Anyone who is covered to drive by the terms of the Certificate of Motor Insurance must hold or have held a licence to drive that vehicle. They must meet the conditions and any limits of that licence, and must not have been disqualified from holding it.

2. Claims

A. You, or any other person responsible for a claim under this Policy, must:

- (i) notify Us immediately about any event that could lead to a claim.
- (ii) immediately send Us unanswered any letter, claim, civil bill, writ, summons, and any correspondence from Injuriesboard.ie that You may receive, and a completed accident report form if We ask for one within 5 business days of receiving notice of a claim;
- (iii) tell Us immediately if any prosecution or inquest is to be held in connection with the incident;
- (iv) give Us all the information and help We may need in order to deal with a claim including any information that You have that may change, one way or the other, the validity of any claim made;
- (v) NOT accept responsibility for any accident, or agree to pay any claim, without Our clear permission;
- (vi) cooperate with anyone who acts on Our behalf; and
- (vii) do whatever You (or any other person insured under this Connect Car Policy) can to protect Your Car and its parts or accessories.

You must provide Us with all the documents and information that We need to process Your claim. Failure to provide Us with all relevant documentation relating to Your claim might render Us unable to investigate the claim properly and compensate You.

B. We may do any of the following:

- (i) take-over, defend, or settle any claims in Your name or that of any other person covered by this Connect Car Policy;
- (ii) take legal action in Your name or the name of any other person covered by this Connect Car Policy to recover any payments We make;

- (iii) recover all of the cost of a claim from You or the person responsible for it, if We have to pay a claim by law (including Our obligations under the Motor Insurers' Bureau of Ireland agreement) that We would otherwise not have to pay under this Connect Car Policy;

C. If at the time of a claim:

- (i) You have another insurance Policy covering the same loss, damage or liability, We will only pay Our share of the claim.
- (ii) any other person covered by this Connect Car Policy also has another Policy covering the same loss, damage or liability, We will NOT pay any part of the claim.

D. Cancellation and Suspension of Cover

a. Cancellation by You

i. Within the cooling-off period

If, after reading this Connect Car Policy, You are not satisfied with it for any reason, You may cancel this Connect Car Policy by giving Us notice in writing within 14 days after the date the policy starts and, by returning, the Certificate of Motor Insurance and the insurance disc to Us. We will refund Your premium, less a proportionate amount for the days that You were insured by Us.

ii. Outside the cooling-off period

You may cancel this Policy at any time by returning Your Certificate of Motor Insurance and the insurance disc to Us. However, if You have not made or incurred any claims during the current Period of Insurance, We will:

1. keep any premium You paid in respect of these Sections: Section 8: Windscreen and Windows, Section 10 – Breakdown Assistance, and Section 11 – Motor Legal Expenses and Car Hire;
2. work out a proportionate premium for the period that You were insured by Us, for the remaining Sections;
3. deduct an amount of €25;
4. deduct a further fee of up to €50 to be retained by Patrona Underwriting Limited; and
5. refund You the balance of the premium You have paid provided the balance is €25 or more.

b. Cancellation by Us

We may cancel this Connect Car Policy, providing the reason(s) for such cancellation, with 10 days' notice by writing to You at Your last known address. We will:

- work out a proportionate premium for the period that You were insured by Us; and
- refund the balance of the premium You have paid.

E. Suspension of cover

You may request a suspension of Section 1 – Liability to Others (Third Parties) of Your Connect Car Policy, if:

- You return Your Certificate of Motor Insurance and insurance disc to Us;
- cover is suspended for at least 30 consecutive days; and
- there has been no claim made or incurred by You in the current Period of Insurance.

We will refund You some of Your premium, based on the time Your Car is out of use. The amount We refund may not be proportionate to the period of suspension. Patrona Underwriting Limited may also deduct and retain an administration fee of up to €25. However, You must still pay the yearly premium. If You are paying by instalments, You must keep up Your payments during the period of suspension.

F. Non-refundable premiums

If You cancel Your Connect Car Policy after the cooling-off period, or if a permanent reduction in cover is made, We will not refund a proportion of Your premium in respect of Sections:

- 8 – Windscreen and Windows;
- 9 – Accidental Death;
- 10 – Breakdown Assistance;
- 11 – Motor Legal Expenses and Car Hire.

G. Transaction premiums and fees

If a change to Your Connect Car Policy results in You owing Us an additional premium, We will charge You a minimum of €15. If a change to Your Connect Car Policy results in Us owing You a refund of Your premium (or a proportion of it), We will only make such a refund if the amount due is €25 or more.

Patrona Underwriting Limited may charge and retain a fee of up to €30 for any transaction under this Connect Car Policy, or up to €50 for a cancellation transaction under Condition 3 A (ii) – Cancellation.

H. Temporary alterations

If We agree in advance, Your Car that is insured may be temporarily substituted by another vehicle. We do not have to agree but if We do agree, We may apply restrictions.

I. Fraud

We will NOT pay for any loss, damage, or legal liability to others, if You or anyone else covered by this Policy (or anyone acting on Your behalf or any other person covered by this Policy) makes or tries to make a claim that is fraudulent or exaggerated in any way, or makes a false statement, or provides false or stolen documents to support a claim. If a fraudulent claim is made, We may cancel Your Policy, We may not refund any premium You have paid to Us, and We may recover from You any payments that We have made in respect of the fraudulent claim. We may refuse any further claim and recover from You any money we have already paid in respect of such further claims.

J. Duty to take care

Any person claiming cover under this Motor Policy must take all reasonable steps to prevent any incidence of accident, injury, loss or damage. You must keep Your Car in a roadworthy condition. While unattended, Your Car must be left locked. The ignition key must never be left with Your Car. You must allow us to examine Your Car. You must provide Us with all the documents and information that We need to process Your claim. Failure to provide Us with all relevant documentation relating to Your claim might render Us unable to investigate the claim properly and compensate You.

Some of Your duties in this clause, for example, keeping your car in a road worthy condition and while unattended, Your Car must be locked and the key must never be left with Your Car are continued and on-going obligations that you must comply with. Failure to comply with these conditions may result in your claim being declined or cover being suspended for the period of the breach.

K. Your Interest in Your Car

 - (v) the Car keys or fob device; and

The remains of Your Car will still be Your property, unless We choose to keep them. We do not have to choose this option. The value, if any, of the remains of Your Car will be deducted from the money We are due to pay You.

Settling claims for theft

We will treat Your Car as stolen if it has not been found 28 days after You report the theft to Us. It must be still missing when We pay Your claim. You must report the theft to the Gardai or local police as soon as it is discovered, and provide Us with Your Car keys and all the documentation We ask for when You make Your claim. If Your Car is stolen and You later get it back, or discover where it is, You must tell Us immediately. If Your Car is fitted with a Tracking Device with a monitoring service, You must also inform that monitoring service immediately.

If Your Car has not been found after 28 days, We will treat it as a total loss (a write-off) and your claims will be dealt with accordingly.

Section 3: No Claims Discount

No Claims Discount (NCD)

A No Claims Discount is a premium discount granted because You have had consecutive years of incident-free motor insurance in Your own name on this Connect Car Policy or another policy that this one replaces. Provided there are no claims that could affect it, Your No Claims Discount will increase each year, up to the Maximum discount We allow.

If You insure more than one Car with Us, You earn the No Claims Discount on each Car separately.

We will not discount any premiums for cover under Sections 8 – Windscreen and Windows, Section 9 – Personal accident, Section 10 – Breakdown Assistance, and Section 11 – Motor Legal Expenses.

Any payment We make for fire or theft under Section 2 – Loss of or Damage to Your Car, or windscreen claims under Section 9 – Personal accident, will not affect Your No Claims Discount.

If You make a claim, Your No Claims Discount will be reduced to zero at the next renewal unless You have a Connect Car Policy with one of Our No Claim Discount Protection options (see below).

Other claims-free driving discounts

We may have allowed You a different discount because You have driving experience gained under a different policy. Such discounts will be removed entirely at the next renewal of Your Connect Car Policy if you have a claim during the Period of Insurance.

Our uninsured driver promise

If You make a claim for damage to Your Car that is the result of an accident that is not Your fault, and the driver of the other vehicle involved is not insured, You will not lose Your No Claims Discount. The costs may be recoverable from the Motor Insurers' Bureau of Ireland (MIBI).

The driver of the uninsured vehicle must be identified, and You must provide Us with their name and the registration number; make and model of the vehicle that hit You, where possible. You must also assist Us in establishing who is responsible by providing the names, addresses, and any other details of any witnesses to the incident.

A Fully Protected No Claims Discount

Your Schedule shows whether You have this cover.

If You have this cover, and if there are up to 2 claims in a consecutive 3-year period, the accumulated years that are allowed for in calculating Your No Claims Discount will not change.

If there is a third claim in a consecutive 3-year period, the accumulated years that are allowed for in calculating Your No Claims Discount will be reduced to zero.

While the number of No Claim Discount years accumulated will not change, the percentage discount that each year represents may change and Your premium may still increase following such claims.

B Step Back No Claims Discount

Your Schedule shows whether You have this cover.

If You have this cover and a claim arises during any Period of Insurance, Your entitlement to a No Claims Discount will be reduced as shown in the table below.

No Claims Discount years at the time of a claim	Step Back No Claims Discount years allowed at the next renewal
5 years or more	3 years
4 years	2 years
