The schedule – which includes details of the risk address, operative sections and clauses, the sums insured and the period of insurance.

The statement of facts – The statement of facts is a precise record of the information which you or anyone on your behalf provided to us about your risk. Making a Claim

Emergency Assistance

Accidents can happen. If you are unfortunate to have an accident, you can now avail of the Emergency Helpline, **0818 208 408**.

What do you do?

First, check your insurance Policy to see if the incident that has occurred is covered by your Policy. If it is, then please dial 0818 208 408. We will take details of your claim and arrange for an approved contractor to call out to your home and deal with the damage that has occurred. We will also find out what items have been damaged or stolen and take steps to organise replacements for some of them from our approved suppliers. To access information regarding an existing claim, simply dial 0818 208 408 (24 hours, 365 days a year).

Claims Notification Period

Please note unless otherwise stated in this Policy that all claims must be notified to Zurich at the latest within 30 days of the occurrence of the relevant event or cause (as the case may be) giving rise to the claim.

However, please refer to the Policy Conditions section of this document and familiarise yourself with your specific obligations when notifying a claim, as failure to comply could result in your claim being refused, where we are prejudiced.

Underinsurance

Protecting your Home and Contents

The purchase of your home represents probably the largest financial investment you will make in your lifetime. It is, therefore, vitally important that you protect your investment by insuring it for the correct value.

Each year you should review the amount for which you have insured your buildings and contents. In addition, if home improvements have been carried out, such as the building of an extension or the conversion of the attic, or if you have purchased additional contents, the sums insured should be increased to reflect this.

It is important that the base value of your buildings and contents are regularly reviewed.

Home protection tips

Storm

To minimise damage from storms, we suggest the following:

- Mineral felt roofs have a limited life span and are subject to wear and tear and deterioration over time. Check the roof covering at regular intervals and replace the felt where there are signs of deterioration. Remember, your Policy does not cover the maintenance costs involved in repairing or replacing the roof. The Policy specifically excludes damage caused by wear and tear and gradual deterioration.
- Ensure your tiles and guttering are secure.
- Check that the gutters and drains are not blocked.
- If a storm is forecast, make sure all gates are bolted. Put any garden furniture, lawnmowers or plant pots in a garden shed and lock it.

Fire prevention

Every year many people are killed or injured and homes are destroyed as a result of domestic fires. You can reduce the risk of fire by taking the following precautions:

- Do not overload an electrical point. Unplug all appliances when not in use.
- Repair faulty wiring, frayed leads and loose plugs.
- All fires and heaters should have a secure fireguard. Never leave the room without having a guard in front of the fire.
- Chimneys should be swept at least once a year.
- Avoid careless smoking, especially in bedrooms.
- Matches should be kept well away from children.
- Close all internal doors when going to bed.
- Keep heaters away from furniture, curtains and bedclothes.
- Never move or refuel an oil or gas heater while it is lighting.
- Keep all electrical flexes off cooker rings and hobs.
- Be especially careful with chip pans, they should never be left unattended on a lighted cooker.
- You should install at least two smoke detectors in your house. Smoke detectors should be tested regularly to ensure they are working properly. Change the batteries at least twice a year.

Water damage

There are various weather hazards which you cannot avoid, but against which you can protect your home.

- Lag pipes and water tanks wherever possible.
- Leave the underside of tanks free to ensure rising warmth can reach them.
- Replace washers on dripping taps.

Burglary prevention

Unfortunately, theft has become part of everyday life in many areas. Most thieves are opportunists who commit crimes when they spot an easily entered home. Such opportunities can be removed by fitting and using good quality locks on doors and windows and by installing an approved alarm system.

- All external doors should be fitted with five-lever mortise deadlocks and the keys should be removed from the lock.
- All patio doors should be fitted with key-operated patio door locks. The keys should be removable. A stop should be fitted in the top of the door frame to prevent the doors from being lifted out of their frame.
- All ground floor windows and other accessible windows, fanlights and rooflights should be fitted with key-operated security locks or stops with removable keys or key-operated security bolts with removable keys.

Before going on holidays:

If you have an automatic light switch installed, set it to operate at the times you normally switch the lights on.

- Cancel all deliveries, e.g. milk, newspapers etc.
- Ask a neighbour to pop in from time to time to check on the house and to remove post from the letterbox/porch.
- Inform your local Garda station that you will be away.
- Check that all windows and doors are securely locked.
- Set your intruder alarm, smoke detectors and other alarm systems – check that the batteries in all alarms are working.

Settling claims

We will pay, at our option, the full cost of repair, or reinstatement as new, of the damaged part of the **buildings** provided that the work is done without delay or, at our option, **we** will arrange for the work to be carried out. However, this will be subject to the following:

Retention Amount

Our priority is to provide financial support to customers throughout the claim process to ensure any repair/reinstatement work is completed as quickly as possible.

Where **we** opt to pay the costs of repair or reinstatement as above, **we** may:

- (a) release a proportion of the estimated cost of repair or reinstatement prior to completion of the work;
- (b) pay the balance (otherwise known as the "retained amount") to **you** on completion of the work and on receipt of appropriate documentation validating the costs incurred by **you** for the repair or reinstatement work (including VAT invoices).

The retained amount will not exceed:

- (i) 5 per cent of the claim settlement amount in a case in which the claim settlement amount is less than €40,000; or
- (ii) 10 per cent of the claim settlement amount in a case in which the claim settlement amount is €40,000 or more.

Underinsurance

Our liability for repair or reinstatement following insured loss or damage shall not exceed the sum insured on **buildings** at the time of loss or damage.

To safeguard your financial interest in your property **you** must insure the full reinstatement value of your **buildings**, which should include due allowance for debris removal costs, architects, surveyors, consulting engineers and other fees necessarily incurred in the reinstatement of the property. Failure to do so will result in your claim settlement being reduced.

The **buildings** sum insured as stated in the Policy Schedule is subject to the following condition of average: If the sum insured on **buildings** at the time of the insured loss or damage is less than the cost of rebuilding as new all the **buildings** (including fees as above) covered by this Policy and such difference is greater than 15% of the rebuilding cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of rebuilding as new all the **buildings** covered by this Policy.

Wear and Tear

We will deduct an amount for wear and tear if the **buildings** are in a poor state of repair or decoration.

- If it is necessary to make a deduction for wear and tear, then for the purposes of determining whether or not there is underinsurance, the cost of rebuilding as new all the **buildings** covered by this Policy less the deduction for wear and tear will be compared with your actual sum insured.
- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched. If repair or reinstatement is not carried out (at your request, which must be explained and reasonable) **we** will pay the reduction in market value resulting from the loss or damage, but only up to what it would have cost to rebuild or repair if such work had been carried out without delay.

The most **we** will pay under paragraphs 1 to 14, 18 and 'Additional Costs' below is the sum insured by this section.

We will automatically reinstate the sum insured from the date of payment of any claim unless **we** have given **you** written notice to the contrary before payment.

Additional Costs

We will pay the necessary and reasonable expenses that **you** incur with our consent in reinstating the **buildings** following loss or damage insured under this section, namely:

- fees to architects, surveyors, consulting engineers and others agreed by **us**,
- the cost of clearing the site and making it and the **home** safe,
- the cost of complying with any government or local authority requirements following loss or damage unless **you** were given notice of the requirements before the loss or damage occurred,
- any penalties/fines imposed on you by the local authority in relation to endangering the structure of your property or failing to carry out work that has been ordered by the planning authority.

Where **you** were not notified of any government or local authority requirements prior to the loss or damage occurring and such requirements increase the rebuilding as new cost, this increased cost will be disregarded for the purposes of determining whether or not the **buildings** are underinsured.

We will not pay:

- fees incurred by **you** for preparing a claim under this section.

Mortgagees Clause

The interest of the mortgagee shall not be prejudiced by any act or neglect by **You**, your **Household** or any tenant that increases the danger of damage without the authority or knowledge of the mortgagee, provided that the mortgagee as soon as reasonably possible after becoming aware of the danger, shall give notice to **Us** and pay an additional premium if required.

Index-linking

We will monitor rebuilding costs using a range of appropriate indices and market information that **we** have available to **us**.

We will automatically adjust the Buildings sum insured (but not any monetary limits) to help protect **you** against inflation.

This adjustment of the sum insured will:

- be subject to a minimum increase of 2% in the reviewed indexes during the period of insurance.

We will not charge extra premium during the period of insurance but at the end of the period **We** will calculate the renewal premium on the revised sum insured.

More than one Home

When more than one **Home** is insured the terms and conditions of the policy shall apply as if each is separately insured.

Selling your Home

If **You** are selling your **Home** **We** will insure the buyer up to the date the contract is completed unless he/she has arranged his/her own insurance. The buyer must keep to the terms and conditions of the policy.

Underinsurance (Average)

If the sum insured on **Buildings** at the time of the insured loss or damage is less than the cost of rebuilding as new all the **Buildings** covered then **You** shall be considered as being your own insurer for the difference and **We** will pay only that proportion of the loss or damage which the sum insured bears to such cost.

If it is necessary to make a deduction for wear and tear then the cost of rebuilding as new less the allowance for wear and tear will be compared with your actual sum insured. **You** will only be paid that proportion of the loss or damage which your sum insured bears to this cost of rebuilding.

Settling claims

We will pay, at our option, the full cost of replacement as new, or repair, of the **contents** lost or damaged or, at our option, **we** will replace the **contents** or arrange for the repair work to be carried out. However, this will be subject to the following:

Underinsurance

Our liability for repair or replacement as new of **contents** following insured loss or damage shall not exceed the sum insured on **contents** at the time of loss or damage.

To safeguard your financial interest in your property **you** must insure the full replacement value as new of your **contents**. Failure to do so will result in your claim settlement being reduced.

The **contents** sum insured as stated in the Policy Schedule is subject to the following condition of average: If the sum insured on **contents** at the time of the insured loss or damage is less than the cost of replacing as new all the **contents** covered by this Policy and such difference is greater than 15% of the replacement cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of replacing as new all the **contents** covered by this Policy.

Wear and Tear

We will deduct an amount for wear and tear:

- for clothing, footwear, furs and linen,
- for floor coverings more than 12 months old where a claim arises under paragraph 31, Extended accidental damage. If it is necessary to make a deduction for wear and tear, for the purposes of determining whether or not there is underinsurance, the cost of replacement as new of all the **contents** covered by this Policy less the deduction for wear and tear will be compared with your actual sum insured,
- **We** will not pay any cost relating to the replacement of, or work on, any undamaged or remaining items which form part of a set, suite, group or collection of articles of a similar nature, colour, pattern or design when the loss or damage is restricted to a clearly identifiable area or to a specific part and replacements cannot be matched,
- The most **we** will pay under paragraphs 1 to 12, 15, 18, 19 and 30 is the sum insured by this section subject to the condition of average but see also the limitations on pages 11-13 with regard to collections of stamps, coins or medals, satellite dishes, receivers, ancillary equipment and **valuable property**,
- Where the damaged or lost item can be repaired or replaced with an item of similar quality, **we** may at our option either arrange or authorise replacement. If an exact replacement is not available, **we** may either arrange or authorise replacement with an item of similar quality. Where the replacement or repair of any item results in an increase in the value of that item **we** may make a deduction in respect of betterment.

Index Linking

We will automatically adjust the sum insured in line with changes in the Household Durable Goods Section of the Consumer Price Index issued by the Central Statistics Office.

This adjustment will:

- be subject to a minimum increase of 2%,
- continue after any insured loss or damage if the repairs or reinstatement are carried out without delay.

We will not charge extra premium during the period of insurance but at the end of the period **We** will calculate the renewal premium on the revised sum insured.

Underinsurance (Average)

If the sum insured on **Contents** at the time of the insured loss or damage is less than the cost of replacing all the **Contents** as new (less an allowance for wear and tear of clothing, linen and furs), **You** shall be considered as being your own insurer for the difference and **We** will pay only that proportion of the loss or damage which the sum insured bears to such cost.

If it is necessary to make a deduction for wear and tear then the cost of replacement as new less the allowance for wear and tear will be compared with your actual sum insured. **You** will only be paid that proportion of the loss or damage which your sum insured bears to this cost of replacement.

Settling claims

Item 1

We will pay the cost of replacement or repair of the property lost or damaged, or at our option replace the **property** or arrange for the repair work to be carried out, after taking off an amount for wear and tear. If to our knowledge the property is the subject of a hire-purchase or leasing agreement and **You** do not replace or repair the property that is lost or damaged **We** will make any payment to the owner. The owner's receipt will be a full and final discharge of our liability under this Item.

Underinsurance

If the sum insured on the caravan and its equipment at the time of the insured loss or damage is less than the cost of their replacement as new (after deduction for wear and tear) **You** shall be considered as being your own insurer for the difference and **We** will pay only the proportion of the loss or damage which the sum insured bears to such cost.

Item 2

We will pay the full cost of replacement as new or repair of the **property** lost or damaged or at our option **We** will replace the **property** or arrange for repair work to be carried out.

However, **We** will take off an amount for wear and tear:

- for clothing and linen,
- if at the time of the loss or damage the sum insured does not represent the full cost of replacement of all the **property** insured as new after allowing for deterioration of clothing and linen,
- if **You** do not repair or replace the **property**.

Underinsurance

If the sum insured on personal possessions in the caravan or awning or in the vehicle towing the caravan at the time of the insured loss or damage is less than the cost of their replacement as new (after deduction for wear and tear in respect of clothing and linen) **You** shall be considered as being your own insurer for the difference and **We** will pay only that proportion of the loss or damage which the sum insured bears to such loss.

If it is necessary to make an allowance for wear and tear then the cost of replacement as new less the allowance for wear and tear will be compared with your actual sum insured. **You** will only be paid that proportion of the loss or damage which your sum insured bears to this cost of replacement.

Policy Conditions

These conditions apply to all Sections of this Policy

In the following conditions **You** also includes any other person insured under the Policy.

1. Protection of Property and Prevention of Accidents

You will take all reasonable steps to protect the **property** and prevent accidents or legal disputes.

2. Fraudulent Claims

If a claim contains information that is false or misleading in any material respect and **you** either know that it is false or misleading or consciously disregard whether it is false or misleading, or a claim is otherwise fraudulent in any respect, ("Fraudulent Claim"), **we** shall be entitled to:

- (a) refuse to pay the claim; and
- (b) terminate the Policy by written notice in which case cover under the Policy shall be treated as having terminated with effect from the date on which the Fraudulent Claim was submitted.

In such circumstances of termination **we** shall refuse all liability to **you** under the Policy in respect of any claim made after the date of submission of the Fraudulent Claim (but not in respect of any claim(s) made before submission of the Fraudulent Claim) and **we** need not return any of the premiums paid under the Policy.

3. Cancellation

- (a) **We** have the right to cancel the Policy or any section or part of it by giving 14 days notice in writing by registered letter to your last known address and return to **You** the amount of premium in respect of the unexpired period of insurance.
- (b) **You** have the right to cancel the Policy or any section or part of it by giving **Us** notice in writing. **We** will return to **You** the amount of premium in respect of the unexpired period of insurance. However, no return of premium will be allowed if **You** have made a claim during the current period of insurance. No administration charge will be applied if **you** give notice in writing of your intention to cancel the Policy within 14 working days from the date the Policy is concluded (the "Cooling-Off Period"). If **You** cancel the Policy during the first period of insurance outside of the Cooling-Off Period, **We** will deduct an administration charge from any return of premium.

4. Arbitration

If there is a dispute arising out of this Policy, the dispute will be referred to an arbitrator. The arbitrator will be appointed jointly by **You** and **Us** in accordance with the law at the time. Claims not referred to arbitration within 12 calendar months from the date of disclaimer of liability shall be deemed to have been abandoned.

5. **Liability Following Death**

If **You** die **We** will insure your legal personal representatives for any liability **You** had previously incurred under the Policy provided they keep to the terms of the Policy.

You must tell **us** immediately of any changes to:

- Change of name, address or occupation

- ii) the information provided in any Proposal Form or otherwise in response to specific questions asked by **us**; and/or

- iv) any additional information voluntarily provided.

When **you** notify **us** about a change as above, or if **you** otherwise become aware of any such change, as referenced above, **we** may reassess the premium chargeable and Policy cover more generally.

We may refuse a claim made by **you** where there has been a change in the subject matter of the Policy which results in a new risk which **we** did not agree to cover and which was beyond the reasonable contemplation of **us** and **you** when the Policy was entered into. Failure to disclose any such change may result in difficulty obtaining insurance in the future.

7. **Claims**

Upon learning of any circumstances which may give rise to a claim **You** must:

- tell **Us** as soon as reasonably possible but immediately if there is riot damage,
- give **Us** all the help and information that **We** may reasonably require,
- immediately tell the Gardai if loss or damage is caused by stealing, attempted stealing, malicious people, vandals, riot or civil, labour or political disturbance,
- immediately send to **Us** any writ or summons or other communication **You** receive,
- give full details within 30 days of the incident together with any supporting evidence that **We** require.

12. **Subrogation**

Subject to Condition 22 below, **we** are entitled to:

- take the benefit of your rights against another person before or after **We** have paid a claim,
- take over the defence or **Settlement** of a claim against **You** by another person.

13. **Other Insurances**

If at the time of a claim there is any other policy covering anything insured by this Policy (except as provided under section C) **We** will be liable only for our proportionate share.

14. **Excess**

Where any single event, being a single incident or transaction, or a series of incidents or transactions linked by cause or time, results in a claim under more than one section of the Policy, the highest **Excess** only will apply.

15. **Insurance Act 1936**

All monies which become payable by **Us** under this Policy shall in accordance with Section 93 of the Insurance Act 1936 be payable and paid in the Republic of Ireland.

16. **Instalment Defaults**

Where **we** have agreed to accept payment by instalments, any default in payment on the due date may result in the **Policy** cover being terminated.

17. **Stamp Duties Consolidation Act 1999**

The appropriate Stamp Duty has been or will be paid in accordance with the provisions of the Stamp Duties Consolidation Act, 1999.

18. **Premium Alterations**

If an alteration to the policy results in an additional premium due to the insurer, **We** will only charge such premium if the amount involved is greater than €10.

19. **Let Properties**

If the property is let, there must be a tenancy agreement in place between **you** and the tenant directly for a minimum tenancy term of 12 months.

20. **(1) Pre-contractual Representations**

You acknowledge and accept the following:

- (a) **you** have a legal duty prior to entering into this Policy and/or prior to the renewal of this Policy to provide responses to questions asked by **us** in relation to the risk(s) to be insured.
- (b) a matter about which **we** ask a specific question is material to the risk undertaken by **us** or the calculation of the premium by **us**, or both.
- (c) **you** have a legal duty to answer all questions asked by **us** honestly and with reasonable care.
- (d) while **we** acknowledge that **you** have no legal duty of voluntary disclosure, **you** shall ensure that information which is voluntarily provided by **you** or on your behalf is provided honestly and with reasonable care.

(2) Remedies for Misrepresentation

- (a) The term “negligent misrepresentation” means a representation made without reasonable care but which was not fraudulent. Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on your behalf involves a negligent misrepresentation, the remedy available to **us** shall reflect what **we** would have done had **we** been aware of the full facts and shall be based on a compensatory and proportionate test, as follows:
 - (i) if **we** would not have entered into the Policy on any terms, **we** may avoid the Policy from inception or renewal (as the case may be) and refuse all claims, but shall return the premium paid;
 - (ii) if **we** would have entered into the Policy, but on different terms, the Policy is to be treated as if it had been entered into on those different terms if **we** so require;
 - (iii) if **we** would have entered into the Policy, but would have charged a higher premium, **we** may reduce proportionately the amount to be paid on the relevant claim.
- (b) Where an answer which was provided, or information which was volunteered, involves a negligent misrepresentation which is identified at a time prior to there being any claim under the Policy, **we** may either:
 - (i) give notice to **you** that in the event of a claim **we** will exercise the remedies in paragraphs (a)(i)-(iii) above as appropriate; and/or
 - (ii) terminate the Policy by giving reasonable notice.
- (c) Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on your behalf involves a fraudulent misrepresentation, or where any conduct by **you** or on your behalf (relative to the Policy or the steps leading to its formation) involves fraud of any other kind, **we** shall be entitled to avoid the Policy from the date of commencement or renewal (as the case may be) without return of premium.

21. **Effect of Continuing Restrictive Conditions**

In this Policy, any term that imposes a Continuing Restrictive Condition, including one that is intended to reduce the risk of a particular type of loss, or reduce the risk of loss occurring at a particular time or in a particular location, shall be treated as a suspensive condition. This means that if:

- (a) **you** breach any such term; and
- (b) during the period of breach **you** suffer a relevant loss; and
- (c) such breach increased, in the circumstances concerned, the risk of the loss suffered by **you**, we will have no liability for the loss.

A Continuing Restrictive Condition is any condition in this Policy, however expressed, that purports to require **you** to do, or not to do, a particular act or acts, or requires **you** to act, or not to act, in a particular manner (and any condition the effect of which is that a given set of circumstances is required to exist or to be maintained or not to exist shall be taken as falling within this definition).

22. **Subrogation Limits**

For the purposes of this condition only, the expression "insured person" shall mean **you** and any other person entitled to be indemnified under this Policy.

This clause applies where **we** have the right to be subrogated to the insured person's rights against some other person but the insured person has not exercised those rights and might reasonably be expected not to exercise those rights because the insured person and the other person are members of the same family (to be construed in accordance with the Employment Equality Act 1998), or are cohabitants (to be construed in accordance with the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010).

Where in the above circumstances the other person is not insured in respect of their liability to the insured person, **we** do not have the right to be subrogated to the insured person's rights against that other person. Where the other person is so insured, **we** may not recover from the other person an amount greater than the amount that that person may recover under their insurance policy.

This clause does not apply where the conduct of the other person that gave rise to the loss involved serious or wilful misconduct.

If the Insured Person is an employer, **we** will not exercise our right of subrogation against an employee except where the loss was caused by an employee intentionally or recklessly and with knowledge that the loss would probably result.

This endorsement also excludes loss, damage, liability, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to any act of terrorism.
