How We Will Pay Your Claim

Amount of cover

The amount of cover for each **Vehicle** is shown in **Your Policy Schedule**.

Agreed Value means the amount of cover for **Your Vehicle** shown in **Your Policy Schedule**.

Extended reinstatement value cover

However if

the cost of reinstating **Your Vehicle** shown in **Your Policy Schedule** exceeds the sum insured shown in **Your Policy Schedule** for **Your Vehicle** which is the subject of the claim; and

Your Vehicle shown in **Your Policy Schedule** is more than 20 years old;

We will pay an additional amount of up to 25% of the sum insured for **Your Vehicle** or an additional maximum of €100,000 whichever is the lesser amount, if required to reinstate **Your Vehicle** to the same condition immediately prior to the covered loss. In this event **Our** payments will be made only upon presentation of reinstatement invoices agreed by **Us** for **Your Vehicle**. In no event will **We** provide any cash payments.

Excess

The **Excess** shown in **Your Policy Schedule** applies to each and every covered loss unless stated otherwise.

If a covered loss involves two or more **Vehicles** covered under this **Policy**, in the same **Occurrence**, the highest **Excess** will apply once to the loss.

If a covered loss involves both:

- a **Vehicle** covered under this part of **Your Policy**; and
- **Contents** covered under any part of this **Policy** or any other Chubb **Policy**; and an **Excess** would apply to both losses in the same **Occurrence**, the highest **Excess** will apply once to the loss.

Your Excess will not apply if **Your Vehicle** is:

- locked in **Your Declared Garaging Address** at the time of the covered theft or attempted theft loss;

A **Vehicle** is considered totally destroyed when the salvage value plus the repair cost (labour and parts of like kind and quality without deduction for depreciation necessary to repair the **Vehicle**) is equal to or greater than the amount of cover for the **Vehicle** as shown in **Your Policy Schedule**. The salvage value will be determined by **Us** in accordance with the ABI Code of Practice for the Disposal of Motor **Vehicle** Salvage. When **We** pay for a Total loss, the salvage becomes **Our** property. Provided legislation and the ABI Code of Practice for the Disposal of Motor **Vehicle** Salvage allows, **You** have the option to keep the salvage of **Your Vehicle**. **Your** Total loss settlement will be reduced by the salvage value of **Your Vehicle**.

If **We** return a stolen **Vehicle**, **We** will pay for any covered damage resulting from the theft.

When **We** pay for a Total loss, **We** will deduct from the amount payable to **You** any amount required to be paid to discharge any outstanding finance agreement associated with the **Vehicle**.

Partial loss for Vehicles resulting Diminution in Value

If the **Vehicle** is partially damaged, **We** will pay the amount required to repair or replace, whichever is less, the damaged part(s), up to the amount of cover for each **Occurrence**. **We** will make deductions for depreciation and normal wear and tear, when applicable.

We may replace the damaged part(s) with suitable parts or accessories which are not supplied by the original manufacturers.

We will not be liable for any betterment which improves the **Vehicle** beyond its condition before the covered loss occurred. **We** have access to a panel of expert repairers who provide a fast and efficient repair service. However, should **You** wish to use **Your** own nominated repairer, **You** may do so.

No repairs can commence without **Our** prior approval.

However, if because of the repair following a covered partial loss the **Agreed Value** of the **Vehicle** is less than it was before the covered partial loss, **We** will pay for diminution in value. The maximum amount **We** will pay is up to 20% of the sum insured for that **Vehicle**, or the cost of the repair following the covered partial loss, or €500,000, whichever is less. This Payment basis is subject to the **Vehicle** having been professionally valued or purchased within the 24 months prior to the covered partial loss

Cover within the Republic of Ireland and Northern Ireland

Roadside assistance, home start and recovery

Call Assist will send help to the scene of the Breakdown (including at **Your Home**) and the Insurer will cover the cost of call-out fees and mileage charges needed to make a repair at the roadside or recover the **Covered Vehicle**.

If, in the opinion of Call Assist's recovery operator, it is not possible to repair the **Covered Vehicle** at the roadside within one hour:

- a) Call Assist will arrange for the **Covered Vehicle, Covered Person** and up to 7 passengers to be recovered to the nearest Suitable Garage able to undertake the repair, or
- b) if the above is not possible at the time or the repair cannot be made within the same working day Call Assist will arrange for the **Covered Vehicle, Covered Person** and up to 7 passengers to be transported to **Your Home** or if the **Covered Person** would prefer and it is closer, the **Covered Person's** original destination within the Republic of Ireland.

The Insurer will pay the reasonable cost of assistance provided that the recovery is made at the same time as the initial call-out otherwise the **Covered Person** will have to pay for subsequent call-out charges.

If the **Covered Vehicle** requires recovery, the **Covered Person** must immediately inform Call Assist of the address the **Covered Person** would like the **Covered Vehicle** taken to. Once the **Covered Vehicle** has been delivered to that address, the **Covered Vehicle** will be left at the **Covered Person's** own risk.

Alternative travel

If the **Covered Vehicle** cannot be repaired locally on the same day or within a period agreed between the **Covered Person** and Call Assist and is at least 20 miles away from **Your Home** or if the **Covered Vehicle** is stolen; to allow the **Covered Person** to complete the **Covered Person's** original journey, the Insurer will pay:

- a) up to €250 towards the cost of alternative transport or
- b) for the use of a hire vehicle up to 1600cc

whilst the **Covered Vehicle** remains unroadworthy. The Insurer will pay up to €150 towards the costs of alternative transport for one person to return and collect the repaired **Covered Vehicle**.

Emergency overnight accommodation

Where alternative travel (described above) would have been available to the **Covered Person**, but it is more practical or cost effective to provide emergency accommodation for a single night, the Insurer will pay up to €150 for a lone traveller or €75 per person towards the cost of overnight accommodation including breakfast for the **Covered Person** and up to 7 passengers whilst the **Covered Vehicle** is being repaired. The Insurer will not pay more than €500 for each claim under Emergency overnight accommodation.

Conditions of service for covers Alternative travel and Emergency overnight accommodation above

The **Covered Vehicle** must be repaired at the nearest Suitable Garage to the Breakdown location.

Where available these services will be offered on a pay/claim basis, which means that the **Covered Person** must pay initially and the Insurer will reimburse the **Covered Person** when we are in receipt of a valid invoice/receipt. Before arranging these services, authorisation must be obtained from Call Assist.

Misfuelling

If the **Covered Vehicle's** fuel tank is filled with the incorrect type of fuel, it may be necessary to carry out a drain and flush of the **Covered Vehicle's** fuel tank at the roadside if possible or at a Suitable Garage where this is not possible.

Occasionally misfuelling a **Covered Vehicle** can cause extensive damage which a fuel drain and flush will not rectify. If the **Covered Person** prefers for the fuel drain and flush to be carried out by the **Covered Person's** preferred repairer, Call Assist will arrange for the **Covered Vehicle**, the **Covered Person** and up to 7 passengers to be recovered to a repairer of the **Covered Person's** choice within 10 miles of the Breakdown. The **Covered Person** must pay initially and the Insurer will reimburse the **Covered Person** when we are in receipt of a valid invoice/receipt. The most the Insurer will pay is the cost of 10 litres of correct fuel and not more than €250 in total for each claim under Misfuelling.

Message service

At the **Covered Person's** request Call Assist can pass on two messages to the **Covered Person's** home address or place of work to let others know of the Breakdown.

Home assist

Your Covered Vehicle will be covered at **Your Home** or within a one mile radius of **Your Home**. If **Your Covered Vehicle** cannot be repaired at **Your Home**, Call Assist will arrange for the **Covered Person** and **Your Covered Vehicle** to be recovered to the nearest Suitable Garage. The recovery must take place at the same time as the initial call-out.

Keys

If the **Covered Person** locks their **Covered Vehicle** keys within the **Covered Vehicle** and are unable to obtain a spare set on the same day, the Insurer will pay the call-out fee for a recovery operator who will attempt to retrieve the key where this is possible.

If Call Assist is unable to retrieve **Your** key it is often possible to provide a replacement key at the scene. The **Covered Person** will have to pay for the replacement key.

If it is not possible to retrieve a locked-in key or if the **Covered Person** has lost or broken their key and are unable to obtain a replacement key at the scene; if the **Covered Person** is away from home the Insurer will pay the mileage charges to a place where **Your Covered Vehicle** can be stored securely, or **Your** Home if it is nearer.

Cover outside of the Republic of Ireland and Northern Ireland

Roadside assistance

Call Assist will send help to the scene of the **Covered Vehicle** Breakdown within the **Territorial Limits** (other than the Republic of Ireland) and the Insurer will cover the cost of call-out fees and mileage charges needed to make a repair at the roadside if this is possible within one hour. Due to differing national standards and infrastructures abroad, assistance may take longer to arrive.

If, in the opinion of Call Assist, they are unable to repair the **Covered Vehicle** within 60 minutes at the roadside we will arrange and pay for the **Covered Vehicle**, the **Covered Person** and up to 7 passengers to be recovered to the nearest Suitable Garage able to undertake the repair.

Shipping of spare parts

Where it is efficient and cost-effective to do so, the Insurer will pay up to €150 towards the cost of shipping of spare parts to the Suitable Garage. whilst the **Covered Vehicle** remains unroadworthy. The Insurer will pay up to €200 towards of alternative transport for two people to return and collect the repaired **Covered Vehicle**.

Emergency overnight accommodation abroad

Where alternative travel (described above) would have been available to the **Covered Person**, but it is more practical or cost effective to provide emergency accommodation for a single night, the Insurer will pay up to €150 for a lone traveller or €75 per person towards the cost of overnight accommodation including breakfast for the **Covered Person** and up to 7 passengers whilst the **Covered Vehicle** is being repaired. The Insurer will not pay more than €1,000 for each claim under Emergency overnight accommodation under this section.

Repatriation service

If the **Covered Vehicle** cannot be repaired within 48 hours of the original Breakdown or by the **Covered Person's** intended return, whichever is due to occur later, we will arrange and pay for the **Covered Vehicle**, the **Covered Person** and up to 7 passengers to be transported either to **Your** Home, or if the **Covered Person** would prefer and it is closer, the **Covered Person's** original destination within the **Territorial Limits**.
