Collecting your information

We collect a variety of personal information about **you** including **your** name, address, contact details, date of birth, credit history, criminal offences, claims information and IP address (which is a unique number identifying **your** computer). We also collect information from a number of different sources for example: publicly available sources such as social media and networking sites; third party databases available to the insurance industry; firms, loss adjusters and/or suppliers appointed in the process of handling a claim.

Using your information

The main reason **we** collect **your** personal information and/or special categories of personal information is because **we** need it to provide **you** with the appropriate insurance quotation, policy and price as well as manage **your** policy such as handling a claim or issuing documentation to **you**. **Our** assessment of **your** insurance application may involve an automated decision to determine whether **we** are able to provide **you** with a quotation and/or the price. If **you** object to this being done, then **we** will not be able to provide **you** with insurance.

We will also use **your** information where **we** feel there is a justifiable reason for doing so for example: to prevent and detect fraud and financial crime (which may include processes which profile **you**); collecting information regarding **your** past policies; carrying out research and analysis (including profiling); and recording and monitoring calls.

If **you** have given **us** information about someone else, **you** would have confirmed that **you** have their permission to do so.

Sharing your information

We share **your** information with a number of different organisations which include, but are not limited to: other insurers; regulatory bodies; carefully selected third parties providing a service to **us** or on **our** behalf; fraud prevention and credit reference agencies and other companies, for example, when **we** are trialling their products and services which **we** think may improve **our** service to **you** or **our** business processes.

Unless required by law, **we** would never share **your** personal data without the appropriate care and necessary safeguards being in place.

Keeping your information

We will only keep **your** information for as long as necessary in providing **our** products and services to **you** and/or to fulfil **our** legal and regulatory obligations. Please refer to **our** full Privacy Policy for more information.

Use and storage of your information overseas

Your information may be transferred to, stored and processed outside the European Economic Area (EEA). **We** will not transfer **your** information outside the EEA unless it is to a country which is considered to have equivalent data protection laws or **we** have taken all reasonable steps to ensure the firm has suitable standards in place to protect **your** information.

Your rights

You have a number of rights in relation to the information **we** hold about **you**, these rights include but are not limited to: the right to a copy of **your** personal information **we** hold; object to the use of **your** personal information; withdraw any permission **you** have previously provided and complain to the Information Commissioner's Office at any time if **you** are not satisfied with **our** use of **your** information. For a full list of **your** rights please refer to the full Privacy Policy.

Please note that there are times when **we** will not be able to delete **your** information. This may be as a result of fulfilling **our** legal and regulatory obligations or where there is a minimum, statutory, period of time for which **we** have to keep **your** information. If **we** are unable to fulfil a request, **we** will always let **you** know **our** reasons.

Data Protection

In this section of the Insurance Policy, these terms shall have the following meanings:

- i. **"controller"** or **"data controller"** means a person who determines the purposes for which, and the manner in which, personal data is processed;
- ii. **"data subject"** means an identified or identifiable natural living person to whom personal data relates. Both the Policyholder and its Beneficiaries can be data subjects;
- iii. **"joint controllers"** refers to two or more controllers which jointly determine the purposes and means of processing of personal data;
- iv. **personal data** means data relating to a natural living individual person who can be identified from the data being possessed. This includes, but is not limited to, that person's name, surname, address, date of birth, nationality, gender, identity document number, contact details, bank account details and online identifiers;
- v. **"processing"** means any activity that involves use of personal data. It includes obtaining, recording, or holding data, or carrying out any operation or set of operations on data (including organising, amending, retrieving, using, disclosing, erasing or destroying it);
- vi. **"processor"** or **"data processor"** means any person which processes personal data on behalf the controller;
- vii. **"sensitive personal data"** or **"special categories of personal data"** includes information about a person's racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership, physical or mental health or condition or sexual life, or about the commission of, or proceedings for, any offence committed or alleged to have been committed by that person, the disposal of such proceedings or sentence of any court.

The personal data provided by, or otherwise collected about, the Policyholder and its Beneficiaries will be processed by both the Insurer and the Broker, in accordance with the provisions of the General Data Protection Regulation (Regulation 2016/679) ("**GDPR**"), their local applicable data protection laws and regulations (which, in the case of the Insurer, means the Maltese Data Protection Act, Chapter 586 of the laws of Malta) and the practices set out in their respective privacy notices.

Those Privacy Notices may be accessed and consulted through the following links:

- o The Insurer (<https://www.cowen.com/regulatory-disclosures>) and
- o The Broker (<https://frostinsurances.ie>)

During the course of this Insurance Policy, the Insurer and the Broker will each act as a controller of, and may share with one another, personal data relating to the Policyholder and its Beneficiaries ("**Policy Personal Data**"). The Insurer and the Broker have warranted and represented to each other that they will only process such Policy Personal Data fairly and lawfully and shall ensure that they have legitimate grounds under the data protection laws for any processing that may be carried out by them.

In that respect, the Insurer and Broker have also determined that they are joint controllers of the Policy Personal Data. In accordance with article 26, GDPR, they have thus provided below the essence (i.e., a summary) of their joint controller relationship and arrangement:

- i. the identity and contact details of the joint controllers are:
 - Cowen Insurance Company Limited, a company incorporated in Malta with company number C55905 and its registered office at 380, Level 2, Canon Road, Santa Venera, Malta (i.e., the "**Insurer**"). Its data protection officer, who serves as its contact point on all data protection matters, can be contacted at: **dpo@cowen-insurance.com**;
 - Frost Insurances Ltd. Its data protection officer, who serves as its contact point on all data protection matters, can be contacted at: **info@frostinsurances.ie**
- ii. the personal data which is under their joint control covers the following:
 - All data specifically relevant to the creating of a policy for Insurance.
- iii. the Broker shall be primarily responsible for notifying the relevant data subjects of the Policy Personal Data of the matters specified in articles 13 and 14 of the GDPR (such as the purposes for processing their data, potential recipients, retention timeframes). In that context, the main purposes for processing such Policy Personal Data are likely to relate to the execution, performance and administration of the Insurance Policy, including claims, and for operational and compliance purposes, such as financial management or fraud prevention or reporting. The data collected for such purposes is strictly required. Without it, the entry into and performance of the policy (including claims) will be rendered difficult, if not impossible, for the parties;
- iv. where a data subject of such Policy Personal Data attempts to exercise any one of its data subject rights under the GDPR (which are described further on below), the Broker shall assume responsibility for responding to that request, with the cooperation of the Insurer. Moreover, in the event that the Insurer receives a data subject request, the parties have

agreed that the Insurer will forward it to the Broker so that it may handle it and interface with the data subject; and

v. if either party becomes aware of a personal data breach affecting or relating to any Policy Personal Data, that party shall promptly inform the other so as to allow them, as joint controllers, to investigate the breach and determine its cause. Although the parties will jointly participate in this investigation, any mandatory notifications about it will only be made by the party with whom the breach was committed or from whom the reason for the breach originates. If the reason for the breach cannot be attributed to any one of the parties, then the Broker shall take lead on, and be responsible for, ensuring compliance with all data breach reporting or notification obligations.

NOTE HOWEVER that irrespective of the terms of those joint controller arrangements (as described above), the data subjects are not bound by them and may exercise their rights in respect of and against each of the Insurer and the Broker. Therefore, even though contact points have been designated in order to in particular facilitate the handling of data subject requests, data subjects are not obliged to keep to them and may freely choose to direct their requests to either or both the Insurer and Broker.

LEGAL RIGHTS

Under certain circumstances, the data subject has certain rights in relation to his or her personal data:

- *Request access to your personal data.*
- *Request correction (**rectification**) of your personal data.*
- *Request erasure of your personal data.*
- *Object to processing of your personal data.*
- *Request restriction of processing your personal data.*
- *Request transfer of your personal data.*
- *Right to withdraw consent.*

Those data subject rights are not absolute or unreservedly guaranteed, but need to be weighed against the controller's own legal obligations and legitimate interests (in this case, the Insurer and the Broker).

Further detail on the nature of those rights, and what they involve, will be provided by the Broker, as the party designated as being responsible for compliance with such matters. Alternatively, such detail can be obtained from the parties' respective privacy notices (see above links).

Data subjects also have the right to lodge a complaint at any time to a competent supervisory authority on data protection matters, such as (in particular) the supervisory authority based in the place of their habitual residence or place of work. In the case of Malta, this is the Office of the Information and Data Protection Commissioner (the "IDPC") (<https://idpc.org.mt>). If **you** choose a law firm as **your appointed representative** who is not a **preferred law firm**, **we** will give **your** choice of law firm the opportunity to act on the same terms as a **preferred law firm**. However if they refuse to act on this basis, the most **we** will pay is the hourly amount **we** would have paid if they had agreed to the **ARAG Standard Terms of Appointment** and, in those circumstances, **you** would be liable for **costs and expenses** which exceed those included within the **ARAG Standard Terms of Appointment**. These will be provided to **you** once **we** accept **your** claim, if it is necessary to issue legal proceedings and **you** choose **your own appointed representative** rather than using a **preferred law firm**. Where **costs and expenses** have not already been agreed with a **preferred law firm** for the relevant claim type, **we** will pay up to a maximum of €150 per hour.
- d. The **appointed representative** must co-operate with **us** at all times and must keep **us** up to date with the progress of the claim.

2. Your responsibilities

- a. co-operate fully with **us** and the **appointed representative**;
- b. give the **appointed representative** any instructions that **we** ask **you** to.

3. Offers to settle a claim

- a. An **insured person** must tell **us** if anyone offers to settle a claim and must not negotiate or agree to any settlement without **our** written consent.
- b. If an **insured person** does not accept a reasonable offer to settle a claim, **we** may refuse to pay further **costs and expenses**.
- c. **We** may decide to pay an **insured person** the reasonable value of the claim that the **insured person** is claiming or is being claimed against them instead of starting or continuing legal action. In these circumstances an **insured person** must allow **us** to take over and pursue or settle a claim in their name. An **insured person** must allow **us** to pursue at **our** own expense and for their benefit, any claim for compensation against any other person and an **insured person** must give **us** all the information and help **we** need to do so.

4. Assessing and recovering costs

- a. An **insured person** must instruct the **appointed representative** to have **costs and expenses** taxed, assessed or audited if **we** ask for this.
- b. An **insured person** must take every step to recover **costs and expenses** and court attendance and jury service expenses that **we** have to pay and must pay **us** any amounts that are recovered.

5. Cancelling an appointed representative's appointment

If the **appointed representative** refuses to continue acting for an **insured person** with good reason or if an **insured person** dismisses the **appointed representative** without good reason, the cover **we** provide will end at once, unless **we** agree to appoint another **appointed representative**.

6. Withdrawing cover

- a. If an **insured person** settles a claim or withdraws their claim without **our** agreement, or does not give suitable instructions to the **appointed representative**, the cover **we** provide will end at once and **we** will be entitled to re-claim any **costs and expenses** paid by **us**.
- b. If during the course of a claim **reasonable prospects** no longer exist the cover **we** provide will end at once. **We** will pay any **costs and expenses** and compensation awards, **we** have agreed to, up to the date cover was withdrawn.

7. Disputes

If there is a disagreement between **you** and **us** about the handling of a claim and it is not resolved through **our** internal complaints procedure and **you** are a small business **you** can contact the Financial Services and Pensions Ombudsman for help. Details available from www.financialombudsman.ie. Alternatively there is a separate arbitration process (this applies to all sizes of business). The arbitrator will be a barrister chosen jointly by **you** and **us**. If there is a disagreement

over the choice of arbitrator, **we** will ask the Chartered Institute of Arbitrators to decide.

8. Expert opinion

We may require **you** to get, at **your** own expense, an opinion from an expert, that **we** consider appropriate, on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by **us** and the cost agreed in writing between **you** and **us**. Subject to this **we** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that **you** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence.

9. Keeping to the section terms

An **insured person** must:

- a. keep to the terms and conditions of this section

- a. a claim the **insured person** has made to obtain benefit under this section is fraudulent or intentionally exaggerated, or
- b. a false declaration or statement is made in support of a claim.

Where the above circumstances apply, as part of **our** fraud prevention measures **we** will, at **our** discretion, also share information with other parties such as the Gardai, government bodies and anti-fraud organisations.

12. Claims under this section by a third party

Apart from **us**, **you** are the only person who may enforce all or any part of this section and the rights and interests arising from or connected with it.

13. Other insurances

If any claim covered under this section is also covered by another policy, or would have been covered if this section did not exist, **we** will only pay **our** share of the claim even if the other insurer refuses the claim. This section does not operate to cover excess claims. (Please refer to section exclusion 15).

14. VAT Registration

Where you are registered for VAT, any claims payment made under this section will be paid net of VAT.
