This document, the **Schedule** and any attached **Endorsements** is the **Policy** which sets out this insurance. It should be read as one document. It is a legal contract, so please read all of it carefully and make sure it meets **Your** needs and that **You** understand it.

If **You** have any questions about these documents, please contact **Your Insurance Adviser** who will be pleased to help **You**. Words in **bold** type face used in this document, other than in the headings, have specific meanings attached to them as set out in the Definitions Section.

POLICY PERIOD AND PREMIUM

We will, in consideration of the payment of the premium and for the **Period of Insurance**, provide insurance in accordance with the sections of the **Policy** shown as 'operative' in the **Schedule**, subject to the conditions, exceptions and endorsements of the **Policy**. This insurance is renewable provided **We** agree to accept **Your** premium for any subsequent **Period of Insurance**.

We will cover **You** under those Sections shown in the **Schedule** where an amount (or "As shown in the **Policy** wording") is inserted during any **Period of Insurance** for which **We** have accepted **Your** premium provided all the terms and conditions of the **Policy** are met.

If **You** are not satisfied with the cover provided by this **Policy**, please return the documents to **Your** Insurance Broker within 14 days of receiving them. ACCESSIBILITY

Upon request **We** can provide Braille, audio or large print versions of the policy and the associated documentation including the Insurance Product Information Document. If **You** require an alternative format **You** should contact **Your** broker through whom this policy was arranged.

PROTECTION AGAINST INFLATION

We continuously monitor a number of Commercial Rebuilding and Consumer Price Indices and have adjusted your **Buildings** Sums Insured using the index that **We** feel best protects **You** against the effects of inflation and the risk of under insurance in the coming year. However, this universal approach does not take account of the significant differences in profile of our individual customer's buildings and contents exposures and we strongly recommend that **You** calculate **Your** rebuilding costs using the Society of Chartered Surveyors guidelines and carry out an inventory calculating the replacement costs of **Your** contents. **We** will be happy to adjust your Sums Insured accordingly. Helpful guidelines can be found on the Society of Chartered Surveyors website at www.scsi.ie
