Honest and Reasonable Presentation

1. Before this insurance contract is entered into, the **Insured** must make an honest and reasonable presentation of the risk to the **Insurer**, in accordance with the Consumer Insurance Contracts Act 2019, or if the **Insured** is not a consumer, in accordance with the principle of Utmost Good Faith. In summary, the **Insured** must:
 - a) Disclose to the **Insurer** every material circumstance which the **Insured** knows or ought to know. Failing that, the **Insured** must give the **Insurer** sufficient information to put a prudent insurer on notice that it needs to make further enquiries in order to reveal material circumstances. A matter is material if it would influence the judgement of a prudent insurer as to whether to accept the risk, or the terms of the insurance (including premium);
 - b) Make the disclosure in clause (1)(a) above in a reasonably clear and accessible way; and
 - c) Ensure that every material representation of fact is substantially correct, and that every material representation of expectation or belief is made in good faith.
2. For the purposes of clause (1)(a) above, the **Insured** is expected to know the following:
 - a) If the **Insured** is an individual, what is known to the individual and anybody who is responsible for arranging his or her insurance.
 - b) If the **Insured** is not an individual, what is known to anybody who is part of the **Insured's** senior management; or anybody who is responsible for arranging the **Insured's** insurance.
 - c) Whether the **Insured** is an individual or not, what should reasonably have been revealed by a reasonable search of information available to the **Insured**. The information may be held within the **Insured's** organisation, or by any third party (including but not limited to subsidiaries, affiliates, the broker, or any other person who will be covered under the insurance). If the **Insured** is insuring subsidiaries, affiliates or other parties, the **Insurer** expects that the **Insured** will have included them in the **Insured's** enquiries, and that the **Insured** will inform the **Insurer** if it has not done so. The reasonable search may be conducted by making enquiries or by any other means.

Remedies for breach of the duty of honest and reasonable presentation

If, prior to entering into this insurance contract, the **Insured** shall breach the duty of honest and reasonable presentation, the remedies available to the **Insurer** as set out below are proportionate to the effects of any misrepresentation on the interests of the **Insurer** and the **Insured** by reference as to whether the misrepresentation was:

- innocent (that is, one that was neither negligent nor fraudulent),
- negligent, or
- fraudulent.

- a) If the **Insured's** breach of the duty of honest and reasonable presentation is negligent or fraudulent:
 - i) The **Insurer** may avoid the contract, and refuse to pay all claims; and,
 - ii) The **Insurer** need not return any of the premiums paid.
- b) If the **Insured's** breach of the duty of honest and reasonable presentation is not negligent or fraudulent, the **Insurer's** remedy shall depend upon what the **Insurer** would have done if the **Insured** had complied with the duty of honest and reasonable presentation:
 - i) If the **Insurer** would not have entered into the contract at all, the **Insurer** may avoid the contract and refuse all claims, but must return the premiums paid.
 - ii) If the **Insurer** would have entered into the contract, but on different terms (other than terms relating to the premium), the contract is to be treated as if it had been entered into on those different terms from the outset, if the **Insurer** so requires.
 - iii) Except in the case where Basis of Settlement Clause Average applies (see below), if the **Insurer** would have entered into the contract, but would have charged a higher premium, the **Insurer** may reduce proportionately the amount to be paid on a claim (and, if applicable, the amount already paid on prior claims). In those circumstances, the **Insurer** shall pay only X% of what the **Insurer** would otherwise have been required to pay, where $X = (\text{premium actually charged/higher premium}) \times 100$.

Please note that in the event of underinsurance, the relevant Basis of Settlement Clause (Average) within the Material Damage Section of this insurance contract will apply to the claim instead of the relevant provision in point b) iii) above.

Keeping the Insurer Informed

The **Insured** must notify the **Insurer**, or the **Insured's** Insurance Advisor:

- a) without delay if the **Insured** becomes aware that information the **Insured** has given the **Insurer** is inaccurate;
- b) within fourteen days of the **Insured** becoming aware about any changes in the information the **Insured** has provided to the **Insurer** which happens before or during the period of insurance;

When the **Insurer** is notified that information the **Insured** previously provided is inaccurate, or of any changes to that information, the **Insurer** will tell the **Insured** if this affects the **Insured's** insurance. For example, the **Insurer** may amend the terms of the **Insured's** insurance or require the **Insured** to pay more for the **Insured's** insurance or cancel the **Insured's** insurance in accordance with the "Cancellation" section.

If the **Insured** fails to notify the **Insurer** that information the **Insured** has provided is inaccurate, or the **Insured** fails to notify the **Insurer** of any changes, this insurance may become invalid and the **Insurer** may not pay the **Insured's** claim, or any payment could be reduced.

Data Protection Notice

The **Insurer** may store the **Insured's** information on a computer and use it for administration, risk assessment, research and statistical purposes, marketing purposes and for crime prevention (see further details below). The **Insurer** will only disclose the **Insured's** personal details to third parties if it is necessary for the performance of the **Insured's** contract with the **Insurer**.

In order to assess the terms of the insurance contract or administer claims that arise, the **Insurer** will need to collect data that the Data Protection Act defines as sensitive such as medical history or criminal convictions. By proceeding with this contract the **Insured** will signify their consent to such information being processed by the **Insurer** or their agents.

The **Insurer** will keep the **Insured's** information secure at all times. In certain circumstances, for example for systems administration purposes, the **Insurer** may have to transfer the **Insured's** information to another country, which may be a country outside the European Economic Area ("EEA"). By proceeding with this insurance application, the **Insurer** will assume the **Insured** is agreeable to the **Insurer** transferring the **Insured's** information to a country outside the EEA.

Important

This Policy is a legal contract and it is important that the **Insured** examines it carefully to make sure that it meets their requirements. If it does not, or the **Insured's** requirements change, please let the **Insurer** know right away. The **Insured** is reminded of the need to tell the **Insurer** immediately of any facts or changes which the **Insurer** would take into account in their assessment or acceptance of this insurance, as failure to disclose all relevant facts may invalidate the Policy, or may result in the Policy not operating fully.
