4. Care of Vehicle

You must at all times maintain the vehicle in an efficient and roadworthy condition.

You must take all reasonable steps to safeguard the vehicle from damage or loss.

- (c) Breach of any notification-related term or Condition will entitle **us** to refuse payment of a claim where **we** were prejudiced by the breach of the notification-related term or Condition in question.

7. Insurance Act 1936

All monies which become or may become due and payable by **us** under this Policy will in accordance with Section 93 of the Insurance Act 1936 be payable and paid in the Republic of Ireland.

9. (1) Pre-Contractual Representations

You acknowledge and accept the following:

- (a) **you** have a legal duty prior to entering into the Policy and/or prior to the renewal of this Policy to provide responses to questions **we** ask in relation to the risk(s) to be insured.
- (b) a matter about which **we** ask a specific question is material to the risk undertaken by **us** or the calculation of the premium by **us**, or both.
- (c) **you** have a legal duty to answer all questions asked by **us** honestly and with reasonable care.
- (d) while **we** acknowledge that **you** have no legal duty of voluntary disclosure, **you** shall ensure that information which is voluntarily provided by **you** or on **your** behalf is provided honestly and with reasonable care.

(2) Remedies for Misrepresentation

- (a) The term "negligent misrepresentation" means a representation made without reasonable care but which was not fraudulent. Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on **your** behalf involves a negligent misrepresentation, the remedy available to **us** shall reflect what **we** would have done had **we** been aware of the full facts and shall be based on a compensatory and proportionate test, as follows:
 - (i) if **we** would not have entered into the Policy on any terms, **we** may avoid the Policy from inception or renewal (as the case may be) and refuse all claims, but shall return the premium paid;
 - (ii) if **we** would have entered into the Policy, but on different terms, the Policy is to be treated as if it had been entered into on those different terms if **we** so require;
 - (iii) if **we** would have entered into the Policy, but would have charged a higher premium, **we** may reduce proportionately the amount to be paid on the relevant claim.

- (b) Where an answer which was provided, or information which was volunteered, involves a negligent misrepresentation which is identified at a time prior to there being any claim under the Policy, **we** may either:
 - (i) give **you** notice that in the event of a claim **we** will exercise the remedies in paragraphs (a)(i)-(iii) above as appropriate; and/or
 - (ii) terminate the Policy by giving reasonable notice.
- (c) Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** involves a fraudulent misrepresentation, or where **your** conduct (relative to the Policy or the steps leading to its formation) involves fraud of any other kind, **we** shall be entitled to avoid the Policy from the date of commencement or renewal (as the case may be) without return of premium.

10. Alteration of Risk

You must tell **us** immediately of any changes to the following provided by **you** to **us** prior to the commencement or renewal of this Policy:

- (a) the information provided in any Proposal Form or otherwise in response to specific questions asked by **us**;
- (b) the information provided and recorded in any Statement of Fact issued to **you**;
- (c) the declarations made by **you** or on **your** behalf; and / or
- (d) any additional information voluntarily provided.

When **you** notify **us** about a change as above, or if **you** otherwise become aware of any such change, as referenced above, **we** may reassess the premium chargeable and Policy cover more generally.

We may refuse a claim made by **you** where there has been a change in the subject matter of the Policy which results in a new risk which **we** did not agree to cover and which was beyond **our** and **your** reasonable contemplation when the Policy was entered into. Failure to disclose any such change may result in difficulty obtaining insurance in the future.

11. Effect of Continuing Restrictive Conditions

In this Policy, any term that imposes a **Continuing Restrictive Condition**, including one that is intended to reduce the risk of a particular type of loss, or reduce the risk of loss occurring at a particular time or in a particular location, shall be treated as a suspensive condition. This means that if:

- (a) **you** breach any such term; and
 - (b) during the period of breach **you** suffer a relevant loss; and
 - (c) such breach increased, in the circumstances concerned, the risk of the loss suffered by **you**,
- we** will have no liability for the loss.

12. Subrogation

This clause applies where **we** have the right to be subrogated to the **Insured Person's** rights against some other person but the **Insured Person** has not exercised those rights and might reasonably be expected not to exercise those rights because:

- (a) the **Insured Person** and the other person are members of the same family (to be construed in accordance with the Employment Equality Act 1998), or are cohabitants (to be construed in accordance with the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010); or
- (b) the **Insured Person** expressly or impliedly consented to the use, by the other person, of a motor vehicle insured under this Policy.

Where in the above circumstances the other person is not insured in respect of their liability to the **Insured Person**, **we** do not have the right to be subrogated to the **Insured Person's** rights against that other person.

Where the other person is so insured, **we** may not recover from the other person an amount greater than the amount that that person may recover under their insurance Policy.

This clause does not apply where the conduct of the other person that gave rise to the loss involved serious or wilful misconduct.

If the **Insured Person** is an employer, **we** will not exercise **our** right of subrogation against an employee except where the loss was caused by an employee intentionally or recklessly and with knowledge that the loss would probably result.
