You must provide **Us** with all additional information as **We** may require and co-operate with **Us** or **Our** appointed agents during each stage of any claim.

You shall not admit liability or make any offer or promise of payment without **Our** prior written consent.

Every Letter of Claim, or any request that the statute of limitations be tolled or waived, or any writ summons or process and all related documents and any other written notification of claim must be forwarded unanswered to **Us** as soon as possible and, in any event, within 7 (seven) days after receipt.

Discharge of Liability

If **You** refuse to consent to a settlement recommended by **Us** that can settle a claim ("potential settlement"), then **Our** liability for that claim shall not exceed the amount **We** would have been liable for as at the date of the potential settlement, subject to all applicable cover limits and **Excess** provisions of this **Policy**. In addition, **We** will relinquish control of that claim and be under no further liability in respect of that claim except for **Legal Costs** for which **We** may be responsible up to the date of the potential settlement, unless the cover limit is inclusive of **Legal Costs**.

Our Right to Subrogate Against Third Parties

We may take any action **We** consider necessary to enforce **Your** rights or **Our** rights under this **Policy**. If **We** make any payment under this **Policy** **We** will be entitled to all **Your** rights and remedies against any party and will be allowed to sue in **Your** name at our own expense.

However, **We** may not be entitled to all of **Your** rights in certain scenarios, particularly:

- (a) If **We** would be entitled to **Your** rights against some other party, but **You** have not exercised those rights, and might reasonably be expected not to exercise those rights, because **You** and the other party are members of the same family or are cohabitants.
However, this does not apply where the conduct of the other party was serious or wilful misconduct. Where in the above scenario the other party is not insured except in respect of their liability to **You**, then **We** are unable to take action in **Your** name.

- However, if the other party is insured, **We** can take action, but **We** are unable to recover more than the other party can recover from their own insurance.
- (b) Against a **Person Employed**. Unless **We** prove the loss was caused by such **Person Employed** intentionally or recklessly and with knowledge that the loss would probably occur.

Fraudulent Claims

If **You** make a fraudulent claim under this **Policy**, **We**:

- (a) are not liable to pay the claim; and
- (b) may recover from **You** any sums paid by **Us** to **You** in respect of the claim; and
- (c) may by notice to **You** treat this **Policy** as having been terminated with effect from the time of the fraudulent act.

If **We** exercise our right under clause (c) above:

- (i) **We** shall not be liable to **You** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under **Your Policy** (such as the **Occurrence** of a loss, the making of a claim, or the notification of a potential claim); and
- (ii) **We** need not return any of the **Premiums** paid.

HOW MUCH WE WILL PAY – LIMIT OF INDEMNITY

Limit of Liability

The most **We** will pay under this **Policy**, for damages, claimants' costs and expenses and **Legal Costs** shall not exceed the cover limit as specified in the **Schedule**. This limit is the maximum amount payable by **Us** in respect of any one claim or series of claims arising from the same **Occurrence**.

The cover limit will be inclusive of **Legal Costs** unless this **Policy** is specifically endorsed to the contrary.

Excess

The **Excess** stated in the **Schedule** applies to each and every claim or series of claims arising out of an **Occurrence**. The **Excess** shall not be cumulative and where an **Occurrence** could give rise to the application of more than one **Excess**, only the higher **Excess** shall apply.

The **Excess** shall be inclusive of all damages, claimants' costs and expenses and **Legal Costs** and shall not reduce the cover limit.

CANCELLATION

Cancelling this Policy

You can cancel this **Policy** at any time by notifying **Your Broker**.

During the Cooling Off Period

This insurance has a cooling off period of 14 (fourteen) days from either:

- (a) the date **You** receive this insurance documentation; or
- (b) the start of the **Period of Insurance**

whichever is the later.

If **You** decide within the cooling off period that this **Policy** does not meet **Your** requirements, **You** may cancel this **Policy** and, provided **You** have not made a claim or intend to make a claim, **You** will receive a full refund of the **Premium** paid.

After the Cooling Off Period

The **Premium** payable by **You** under this **Policy** is on a minimum and deposit basis. This means that, if **You** cancel this **Policy** after the cooling off period, there is no return premium due to **You**.

If **We** cancel **Your Policy** after the cooling off period, provided **You** have not made a claim or intend to make a claim, **You** will be entitled to a refund of the **Premium** paid, subject to a deduction for any time for which **You** have been covered. This will be calculated on a proportional basis, for example, if **You** have been covered for 6 months, the deduction for the time **You** have been covered will be half the annual **Premium**.

We can cancel **Your Policy** by giving **You** 14 (fourteen) days' notice in writing. **We** will only do this for a valid reason for example:

- (a) non-payment of **Premium**;
- (b) a change in risk occurring which means that **We** can no longer provide **You** with insurance cover;
- (c) non-cooperation or failure to supply any information or documentation **We** request;
- (d) threatening or abusive behaviour or the use of threatening or abusive language to **Us** or **Your Broker**.

Please note that cancellation of this **Policy** does not impact any claim already made or that occurred before cancellation.

YOUR RESPONSIBILITIES

Information You have given Us

In deciding to accept this **Policy** and in setting the terms and **Premium**, **We** have relied on the information **You** have given **Us**. **You** must take care when answering any questions **We** ask by ensuring that all information provided is accurate and complete.

There are remedies available to **Us** if **We** discover **You** misrepresented information when answering the questions **We** ask. The remedies depend on the type of misrepresentation:

- (a) Innocent misrepresentation

If **We** find that **You** innocently provided **Us** with incorrect or incomplete information **We** are not able to treat this **Policy** as if it never existed.

- (b) Negligent misrepresentation

If **We** find that **You** negligently provided **Us** with incorrect or incomplete information **We** have relied upon in accepting this **Policy** and setting its terms and **Premium**, **We** may:

- treat this **Policy** as if it had never existed and refuse to pay all claims and return the **Premium** paid. **We**

will only do this if **We** provided **You** with insurance cover which **We** would not otherwise have offered;

- amend the terms of **Your Policy**. **We** may apply these amended terms as if they were already in place;
- reduce the amount **We** pay on a claim in the proportion the **Premium You** have paid bears to the **Premium We** would have charged **You**; or
- cancel **Your Policy** in accordance with the “Cancellation” provision above.

(c) Fraudulent misrepresentation

If **We** find that **You** fraudulently provided **Us** with false or misleading information, or disregarded whether the information was false or misleading, **We** will treat this **Policy** as if it never existed, decline all claims and reclaim any amounts paid. **We** can also keep any **Premium** paid.

We or **Your Broker** will write to **You** if **We**:

- intend to treat this **Policy** as if it never existed; or
- need to amend the terms of **Your Policy**.

Notifying Us of any changes

You must notify **Your Broker** as soon as practicable if **You** become aware of any changes in the information **You** have provided to **Us**. This applies whether the change happens before or during any **Period of Insurance**.

If **You** become aware that the information **You** have given **Us** is inaccurate or there is any change in the information that may materially affect the risk insured, then **You** must inform **Your Broker** as soon as practicable in writing, by email or by telephone.

Changes to the information **You** have provided could result in **You** having to pay an additional **Premium** or **Us** amending the terms of **Your Policy** or cancelling **Your Policy**. No return premium(s) shall be payable to **You** in respect of any adjustment(s) made to **Your Policy** after the cooling off period.

What personal information we process about you

We collect and use relevant information about **You** to provide **You** with the insurance cover or the insurance cover that benefits **You**, and to meet our legal obligations and the obligations of others in the insurance chain.

This information includes details such as **Your** name, address and contact details and any other information that we collect about **You** in connection with the insurance cover, or the cover from which **You** benefit. This information may include special categories of personal data details such as information about **Your** health and any criminal convictions **You** may have.

Why we collect your personal information and the lawful basis for processing

We collect and use **Your** personal data to provide **You** with the insurance cover. The legal basis is the contract performance with **You** as the data subject and the compliance with legal obligations, amongst other insurance and tax law obligations.

For processing sensitive health personal data, the general legal basis is the consent, unless there is a local statutory right to do so as a legal basis.

For processing child personal data, the legal basis is the consent given or authorised by the holder of parental responsibility over the child.

Finally, we can also process **Your** personal data for fraud prevention and detection with legitimate interest as the legal basis.

Who we are sharing your personal data with

The way insurance works means that **Your** information may be shared and used by several third parties in the insurance sector (inside and outside the European Economic Area-EEA). For example, insurers, insurance agents or insurance brokers, reinsurers, loss adjusters, sub-contractors, regulators, law enforcement agencies, fraud and crime prevention and detection agencies and compulsory insurance databases. We will only disclose **Your** personal information in connection with the insurance cover that is provided, and to the extent that it is needed or allowed by law.

From time to time we may need to share **Your** personal information with third parties outside EEA and we will always take steps to ensure that any international transfer of information is carefully managed to protect **Your** rights and interests:

- We will only transfer **Your** personal information to countries which are recognised as providing an adequate level of legal protection or where we can be satisfied those alternative arrangements are in place to protect **Your** privacy rights.
- Transfers to service providers and other third parties will always be protected by contractual commitments and where appropriate further assurances.
- Any requests for information we receive from law enforcement or regulators will be carefully checked before personal information is disclosed.

How long we keep your data

We keep **Your** personal details for no longer than is necessary in offering the insurance arranged or to comply with our legal or regulatory requirements.

We will securely delete or erase **Your** personal information if there is no valid business reason for retaining **Your** data. In exceptional circumstances, we may retain **Your** personal information for longer periods of time if we believe there is a prospect of litigation, in the event of any complaints or there is another valid business reason the data will be needed in the future.

You are free to give us **Your** consent, however, if **You** do not give **Your** consent, or **You** withdraw **Your** consent, this may affect our ability to provide the insurance cover from which **You** benefit and may prevent us from providing cover for **You** or handling **Your** claims.
