PREAMBLE

IMPORTANT: COVERAGE TRIGGERS. It is important for **you** to review this Policy in its entirety carefully, including **CONDITION 1**, as the trigger for coverage, including when **you** must notify **us** of a claim, under each Section and Insuring Clause may differ.

Where **cyber events**, **system failures** or **operator errors** are not specifically excluded from a Section or Insuring Clause of this Policy, then a claim arising out of a **cyber event**, **system failure** or **operator error** which is otherwise covered under that Section or Insuring Clause will be payable, subject to all other terms, conditions and exclusions of this Policy.

This Policy is a contract of insurance between **you** and **us**. **Your** Policy contains all the details of the cover that **we** provide. This Policy consists of and must be read together with the Schedule and any Endorsements. This Policy is not complete unless it is signed and a Schedule is attached.

The sections of this Policy are identified by the blue lines across the page with white upper case print, these are for information purposes only and do not form part of the cover given by this Policy. Terms in bold upper case print are references to specific Insuring Clauses, Sections or Conditions. Other terms in bold lower case print are defined terms and have a special meaning as set forth in the Definitions section and elsewhere. Words stated in the singular will include the plural and vice versa.

In consideration of the **premium** and in reliance upon the information that **you** have provided to **us** prior to the commencement of this insurance, **we** agree to provide the cover as set out below:

- a. these rectification measures are taken for the sole purpose of mitigating the **claim** or avoiding a **claim**; and
- b. the costs in respect of these rectification measures taken by **you** are less than the expected value of the **claim**.

We will not make any payment under this Insuring Clause in respect of any costs that include any provision for:

INSURING CLAUSE 12: COURT ATTENDANCE COSTS

We agree to reimburse **you** for any reasonable sums necessarily incurred by **you** with **our** prior written agreement (which will not be unreasonably withheld) to attend court or any tribunal, arbitration, adjudication, mediation or other hearing in connection with any claim for which **you** are entitled to indemnity under this Policy.

HOW MUCH WE WILL PAY

The maximum amount payable by **us** in respect of each Section and each Insuring Clause will not exceed the **limit of liability**.

In respect of all coverages other than **INSURING CLAUSES 8 and 9**, where any claim is covered under multiple Sections, each Section will cover its part of the claim to the extent of the available **limit of liability**. In the event any Section covering the claim is exhausted, no other Section of the Policy covering the claim will provide additional cover. Regardless of how many Sections cover any claim only one overall **limit of liability** will be available and this will be the highest **limit of liability** of the Sections covering the claim. The **limits of liability** available, other than the highest **limit of liability**, under the Sections covering the claim will always be a part of and not in addition to the highest **limit of liability**. For the purposes of this paragraph, **INSURING CLAUSES 10, 11 and 12** will each be considered a Section.

Where more than one **claim** under this Policy arises from the same original cause or single source or event, all of those **claims** will be deemed to be one **claim** and only one **limit of liability** will be payable.

We may at any time pay to **you** in connection with any **claim** the amount of the **limit of liability** (after deduction of any amounts already paid). Upon that payment being made **we** will relinquish the conduct and control of the **claim** and be under no further liability in connection with that **claim** except for the payment of **costs and expenses** incurred prior to the date of such payment (unless the **limit of liability** is stated to be inclusive of **costs and expenses**).

If **costs and expenses** are stated in the Schedule to be in addition to the **limit of liability**, or if the operation of local laws require **costs and expenses** to be paid in addition to the **limit of liability**, and if a damages payment in excess of the **limit of liability** has to be made to dispose of any **claim**, our liability for **costs and expenses** will be in the same proportion as the **limit of liability** bears to the total amount of the damages payment.

Notwithstanding the **limit of liability**, for any **claim** made against **you** within the United States of America or territories which come under the jurisdiction of the United States of America, the **limit of liability** will be an annual aggregate limit for all **claims** under this Policy and inclusive of **costs and expenses**.

In respect of **INSURING CLAUSE 8 (SECTIONS A, B and C only)**, the **limit of liability** is on a day one reinstatement basis. This means that the **limit of liability** is the combination of the **declared value** plus a day one uplift amount equal to 15% of the **declared value**, to account solely for any inflation that may occur during the **period of the policy**.

If at the **inception date** the **declared value** does not represent the total cost to:

- a. repair or rebuild **your premises** at any **building address**;
- b. repair or replace **your general contents** at any **building address**; or
- c. repair or replace **your portable contents**;

any amount **we** pay in respect of a claim covered under this Policy for loss or damage to a. to c. above will be reduced in the same proportion as the underinsurance.

Example for calculating underinsurance:

- a. Total cost to rebuild all of **your premises** at building address 1 on the **inception date** = €500,000;
- b. **Declared value** for **premises** at building address 1 = €400,000;
- c. Therefore if a €200,000 loss occurs at the **premises** at building address 1, **we** would pay €160,000;
- d. This has been calculated as the **declared value** / the total cost to rebuild on the **inception date** x loss value ($€400,000 / €500,000 \times €200,000 = €160,000$).

If **we** pay to replace **your general contents** or **portable contents**, **we** will do so on a new for old basis.

YOUR DEDUCTIBLE

We will only be liable for that part of each and every claim which exceeds the amount of the **deductible**. If any expenditure is incurred by **us** which falls within the amount of the **deductible**, then **you** will reimburse that amount to **us** upon **our** request.

Where more than one claim under this Policy arises from the same original cause or single source or event all of those claims will be deemed to be one claim and only one **deductible** will apply.

In respect of **INSURING CLAUSE 3 (SECTIONS F and G only)**, a single **time franchise, deductible** and **indemnity period** will apply to each claim. Where the same original cause or single source or event causes more than one period of **computer systems** downtime these will be considered one period of **computer systems** downtime whose total duration is equal to the cumulative duration of each individual period of **computer systems** downtime

Where cover is provided under multiple Sections or multiple Insuring Clauses only one **deductible** will apply to that claim and this will be the highest **deductible** of the Sections under which cover is provided.

DEFINITIONS

1. **"Actual loss sustained"** means

CONDITIONS

1. What you must do in the event of a claim or cyber incident

If any **senior executive officer** becomes aware of any incident which may reasonably be expected to give rise to a claim under this Policy **you** must:

- a. notify the **claims managers** as soon as is reasonably practicable (in respect of cyber incidents, a telephone call to **our cyber incident response line** will constitute notification). However, this notification must be made no later than the end of any applicable extended reporting period;
- b. in respect of **INSURING CLAUSES 4, 5 and 8**, report the theft or incident as soon as is reasonably practicable to the appropriate law enforcement authorities and provide **us** with a copy of this report on **our** request;
- c. provide **us** in a timely manner with any other information and assistance that **we** may request;
- d. in respect of **INSURING CLAUSE 5**, not incur any costs or promise any payment, including any ransom payment, without **our** prior written agreement (which will not be unreasonably withheld); and
- e. not admit liability for or settle or make or promise any payment or incur any **costs and expenses** without **our** prior written agreement (which will not be unreasonably withheld).

In respect of **INSURING CLAUSES 1 and 2**, if **you** notify an incident that **we** agree is reasonably expected to give rise to a **claim**, **we** will accept any **claim** that arises out of the incident as being notified under this Policy.

We require **you** to provide full details of the incident, including but not limited to:

- a. the time, place and nature of the incident;
- b. the manner in which **you** first became aware of this incident;
- c. the reasons why **you** believe that this incident could give rise to a claim under this Policy;
- d. the identity of the potential claimant; and
- e. an indication as to the size of the claim that could result from this incident.

In respect of **INSURING CLAUSES 3, 4 and 5**, if **you** discover a **cyber event** **you** may only incur costs, other than costs incurred to respond to an extortion demand (including any ransom payment), without **our** prior written consent within the first 72 hours following the discovery and any **third party** costs incurred must be with a company forming part of the **approved claims panel providers**. All other costs may only be incurred with the prior written consent of the **claims managers** (which will not be unreasonably withheld).

2. Additional insureds

We will indemnify any **third party** as an additional insured under this Policy, but only in respect of sums which they become legally obliged to pay (including liability for claimants' costs and expenses) as a result of a **claim** arising solely out of an act committed by **you**, provided that:

- a. **you** contracted in writing to indemnify the **third party** for the **claim** prior to it first being made against them; and
- b. had the **claim** been made against **you**, then **you** would be entitled to indemnity under this Policy.

Before **we** indemnify any additional insured they must:

- a. prove to **us** that the **claim** arose solely out of an act committed by **you**; and
- b. fully comply with **CONDITION 1** as if they were **you**.

Where **we** indemnify a **third party** as an additional insured under this Policy, this Policy will be primary and non-contributory to the **third party's** own insurance, but only if **you** and the **third party** have entered into a contract that contains a provision requiring this.

Where a **third party** is treated as an additional insured as a result of this Condition, any **claim** made by that **third party** against **you** will be treated by **us** as if they were a **third party** and not as an insured.

3. Agreement to pay claims (duty to defend)

We have the right and duty to take control of and conduct in **your** name the investigation, settlement or defence of any **claim**. **We** will not have any duty to pay **costs and expenses** for any part of a **claim** that is not covered by this Policy.

You may ask the **claims managers** to consider appointing **your** own lawyer to defend the **claim** on **your** behalf and the **claims managers** may grant **your** request if they consider **your** lawyer is suitably qualified by experience, taking into account the subject matter of the **claim**, and the cost to provide a defence.

We will endeavour to settle any **claim** through negotiation, mediation or some other form of alternative dispute resolution and will pay on **your** behalf the amount **we** agree with the claimant. If **we** cannot settle using these means, **we** will pay the amount which **you** are found liable to pay either in court or through arbitration proceedings, subject to the **limit of liability**.

We will not settle any **claim** without **your** consent. If **you** refuse to provide **your** consent to a settlement recommended by **us** and elect to continue legal proceedings in connection with the **claim**, any further **costs and expenses** incurred will be paid by **you** and **us** on a proportional basis, with 50% payable by **us** and 50% payable by **you**. As a consequence of **your** refusal, **our** liability for the **claim**, excluding **costs and expenses**, will not be more than the amount for which the **claim** could have been settled.

4. Allocation

In the event a claim includes both allegations, persons or matters that are covered under this Policy and allegations, persons or matters that are not covered under this Policy, then **you** and **we** will need to agree a fair and reasonable allocation of this claim, including any **costs and expenses**, judgment or settlement amount.

If **you** and **we** cannot agree a fair and reasonable allocation an **independent expert** will be appointed to determine the allocation. The cost of the **independent expert** will be paid for by **us**. Their determination will be based upon written submissions only and will be final and binding. The **independent expert** will be mutually agreed between **you** and **us** but if **you** and **we** cannot agree on the **independent expert** then the matter will be referred to mediation or arbitration in accordance with **CONDITION 10**.

5. Calculation of business interruption losses

Following an interruption to **your** business activities covered under **INSURING CLAUSES 3 (SECTIONS F or G only)** or **9**, **you** must provide **us** with **your** calculation of the loss including:

- a. how the loss has been calculated and what assumptions have been made; and
- b. supporting documents including account statements, sales projections and invoices.

6. Cancellation

This Policy may be cancelled with 30 days written notice provided by **you**.

If **you** give **us** notice of cancellation, the return **premium** will be in proportion to the number of days that the Policy is in effect. However, if **you** have made a claim under this Policy there will be no return **premium**.

We reserve the right of cancellation in the event that any amount due to **us** by **you** remains unpaid more than 60 days beyond the **inception date**. If **we** exercise this right of cancellation it will take effect from 14 days after the date the written notice of cancellation is issued.

The Policy Administration Fee will be deemed fully earned upon inception of the Policy.

7. Commercial property amount insured reinstatement

In respect of **INSURING CLAUSE 8**, in the event that the amount insured is partially reduced or totally exhausted due to the payment of a claim as a result of damage to **your premises** or **contents**, the amount insured will be automatically reinstated, provided:

- a. **we** do not give **you** written notice within 30 days of the notification of damage stating otherwise;
- b. where the amount of loss, net of the applicable **deductible**, exceeds €20,000 **you** pay an additional **premium** as advised by **us**; and
- c. **you** agree to any other risk management conditions requested by **us**.

8. Continuous cover

In respect of **INSURING CLAUSES 1** and **2**, if during the period of a previous renewal of this Policy **you** neglected, through error or oversight only, to report to **us** an incident that might give rise to a **claim**, then provided **you** have maintained uninterrupted insurance of the same type with **us** since expiry of the previous renewal of this Policy, **we** will permit the incident to be reported to **us** under this Policy and **we** will indemnify **you** under this Policy in respect of any **claim** that arises out of the incident, provided:

- a. the indemnity will be subject to the applicable limit of liability of the previous renewal of this Policy under which the incident should have been reported to **us** or the applicable **limit of liability**, whichever is the lower;
- b. **we** may reduce the indemnity entitlement by the monetary equivalent of any prejudice which has been suffered as a result of the delayed notification; and
- c. the indemnity will be subject to all other terms and conditions of this Policy.

We require **you** to provide full details of the incident, including but not limited to:

- a. the time, place and nature of the incident;
- b. the manner in which **you** first became aware of this incident;
- c. reasons why **you** believe that this incident could give rise to a **claim**;
- d. the identity of the potential claimant; and
- e. an indication as to the size of the **claim** that could result from this incident.

For the avoidance of doubt, this Condition only applies to incidents that might give rise to a **claim**.

9. Cross liability and severability

In respect of **INSURING CLAUSE 6** only, where there is more than one entity insured under this Policy, and subject to the **limit of liability**, any **claim** made by one insured entity against another insured entity will be treated as if they are a **third party** and knowledge possessed by one insured entity will not be imputed to any other insured entity.

10. Dispute resolution

All disputes or differences between **you** and **us** will be referred to mediation or arbitration and will take place in the country of registration of the company named as the insured in the Schedule.

In respect of any arbitration proceeding **we** will follow the applicable rules of the arbitration association in the country where the company stated as the insured in the Schedule is registered, the rules of which are deemed incorporated into this Policy by reference to this Condition. Unless the applicable arbitration association rules state otherwise, a single arbitrator will be appointed who will be mutually agreed between **you** and **us**. If **you** and **we** cannot agree on a suitable appointment then **we** will refer the appointment to the applicable arbitration association.

Each party will bear its own fees and costs in connection with any mediation or arbitration proceeding but the fees and expenses of the arbitrator will be shared equally between **you** and **us** unless the arbitration award provides otherwise.

Nothing in this Condition is intended to remove **your** rights under **CONDITION 25**. However, if a determination is made in any mediation or arbitration proceeding, **CONDITION 25** is intended only as an aid to enforce this determination.

11. Due diligence

In respect of **INSURING CLAUSE 8**, **you** will at **your** own expense take all practicable steps during the **period of the policy** to:

- a. prevent loss of or damage to **your premises** or **contents**, including taking practicable steps to reduce the risk of theft of **your contents** whilst in any vehicle by keeping them out of sight;
- b. maintain **your premises** or **contents** in a proper state of maintenance and repair; and
- c. take all reasonable steps to observe and comply with any applicable laws, obligations or requirements.

12. Establishing loss of contents

If **you** make a claim under this Policy for loss of **contents**, **you** must reasonably establish how and when the incident took place.

13. Extended reporting period

An extended reporting period of 60 days following the **expiry date** will be automatically granted at no additional premium. This extended reporting period will cover, subject to all other terms, conditions and exclusions of this Policy:

- a. in respect of **INSURING CLAUSES 1 and 2**, any **claim** first made against **you** during the **period of the policy** and reported to **us** during this extended reporting period;
- b. in respect of **INSURING CLAUSES 3, 4 and 5**, any **cyber event, loss, system failure or operator error** first discovered by **you** during the **period of the policy** and reported to **us** during this extended reporting period; and
- c. any circumstance that a **senior executive officer** became aware of during the **period of the policy** and reports to **us** during this extended reporting period.

No claim will be accepted by **us** in this 60 day extended reporting period if **you** are entitled to indemnity under any other insurance, or would be entitled to indemnity under such insurance if its limit of liability was not exhausted.

14. Optional extended reporting period

If **we** or **you** decline to renew or cancel this Policy then **you** will have the right to have issued an endorsement providing an optional extended reporting period for the duration stated in the Schedule which will be effective from the cancellation or non-renewal date.

This optional extended reporting period will cover, subject to all other terms, conditions and exclusions of this Policy:

- a. in respect of **INSURING CLAUSES 1 and 2**, any **claim** first made against **you** and reported to **us** during this optional extended reporting period, provided that the **claim** arises out of any act, error or omission committed prior to the date of cancellation or non-renewal; and
- b. in respect of **INSURING CLAUSES 3, 4 and 5**, any **cyber event, loss, operator error or system failure** first discovered by **you** during this optional extended reporting period, provided that the **cyber event, loss, operator error or system failure** first occurred during the **period of the policy**.

If **you** would like to purchase the optional extended reporting period **you** must notify **us** and pay **us** the optional extended reporting period premium stated in the Schedule within 30 days of cancellation or non-renewal.

The right to the optional extended reporting period will not be available to **you** where cancellation or non-renewal by **us** is due to non-payment of the **premium** or **your** failure to pay any amounts in excess of the applicable **limit of liability** or within the amount of the applicable **deductible** as is required by this Policy in the payment of claims.

At the renewal of this Policy, **our** quotation of different **premium, deductible**, limits of liability or changes in policy language will not constitute non-renewal by **us**.

15. Fraudulent claims

If **you** notify **us** of any claim knowing it to be false or fraudulent in any way, **we** will have no responsibility to pay that claim, **we** may recover from **you** any sums paid in respect of that **claim** and **we** reserve the right to terminate this Policy from the date of the fraudulent act. If **we** exercise this right **we** will not be liable to return any **premium** to **you**. However, this will not affect any claim under this Policy which has been previously notified to **us**.

16. Mergers and acquisitions

If **you** acquire an entity during the **period of the policy** whose annual revenue does not exceed 20% of the **company's** annual revenue, as stated in its most recent annual financial statements, cover is automatically extended under this Policy to include the entity as a **subsidiary**.

If **you** acquire an entity during the **period of the policy** whose annual revenue exceeds 20% of the **company's** annual revenue, as stated in its most recent annual financial statements, cover is automatically extended under this Policy to include the entity as a **subsidiary** for 45 days.

We will consider providing cover for the acquired entity after the period of 45 days if:

- a. **you** give **us** full details of the entity within 45 days of its acquisition; and
- b. **you** accept any amendment to the terms and conditions of this Policy and agree to pay any additional **premium** required by **us**.

In the event **you** do not comply with a. and b. above, cover will automatically terminate for the entity 45 days after the date of its acquisition.

Cover for any acquired entity is only provided under this Policy for any act, error or omission committed or alleged to have been committed on or after the date of its acquisition.

No cover will be automatically provided under this Policy for any acquired entity:

- a. whose business activities are materially different from **your** business activities;
- b. that has been the subject of any lawsuit, disciplinary action or regulatory investigation in the 3 year period prior to its acquisition; or
- c. that has experienced a **cyber event** in the 3 years period prior to its acquisition, if **you** have purchased **INSURING CLAUSES 3, 4 or 5** and the **cyber event** cost more than the highest **deductible** of **INSURING CLAUSES 3, 4 or 5**.

No cover will be provided under this Policy for premises or **contents** owned by any acquired entity prior to the date of acquisition.

If during the **period of the policy you** consolidate, merge with or are acquired by another entity then cover under this Policy will continue to apply but only in respect of any act, error or omission committed or alleged to have been committed prior to the effective date of the consolidation, merger or acquisition.

17. Our rights of recovery

If **we** make any payment under this Policy and **you** have any right of recovery against a **third party** in respect of this payment, then **we** will maintain this right of recovery. **You** will do whatever is reasonably necessary to secure this right and will not do anything after the event which gave rise to the claim to prejudice this right.

We will not exercise any rights of recovery against any **employee**, unless this is in respect of any fraudulent or dishonest acts or omissions as proven by final adjudication, arbitral tribunal or written admission by the **employee**.

Any recoveries will be applied as follows:

- a. towards any recovery expenses incurred by **us**;
- b. then to **us** up to the amount of **our** payment under this Policy, including **costs and expenses**;
- c. then to **you** as recovery of **your deductible**.

18. Proceeds of crime recovery

Notwithstanding **CONDITION 17**, if **we** have reimbursed **you** for any claim under **INSURING CLAUSES 4 or 5** that subsequently relates to any proceeds of crime that have been forfeited to or seized by any law enforcement authority, or confiscated as part of any legal proceeding, **you** must:

- a. notify **us** as soon as practicable in the event **you** become aware of the forfeiture, seizure or confiscation;
- b. provide **us** with any assistance **we** may request in the recovery of these proceeds of crime, including **your** automatic consent for **us** to initiate, progress secure and finalise any investigation in the recovery; and
- c. reimburse to **us** upon **our** request that part of any payment **we** have made which falls within the amount of any proceeds of crime that **you** have recovered.

19. Prior subsidiaries

Should an entity cease to be a **subsidiary** after the **inception date**, cover in respect of the entity will continue as if it was still a **subsidiary** during the **period of the policy**, but only in respect of an act, error, omission or event occurring prior to the date that it ceased to be a **subsidiary**.

20. Process for paying privacy breach notification costs

Any **privacy breach** notification transmitted by **you** or on **your** behalf must be done with **our** prior written consent. **We** will ensure that notification is compliant with any legal or regulatory requirements and contractual obligations. No offer must be made for financial incentives, gifts, coupons, credits or services unless with **our** prior written consent which will only be provided if the offer is commensurate with the risk of harm.

We will not be liable for any portion of the costs **you** incur under **INSURING CLAUSE 3 (SECTION C only)** that exceed the costs that **you** would have incurred had **you** gained **our** prior written consent. In the absence of **our** prior written consent **we** will only be liable to pay **you** the equivalent cost of a notification made using the most cost effective means permissible under the governing law.

21. Waiver of subrogation

Notwithstanding **CONDITION 17**, **we** agree to waive **our** rights of recovery against any **third party** if, prior to the claim or incident which **you** reasonably expected to give rise to a claim, **you** entered into a contract that contains a provision requiring **you** to do this.

22. Your duty of disclosure

It is **your** duty to provide **us** with all information which may be material to the cover provided to **you** under this Policy. Failing this, **you** must provide sufficient information to put **us** on notice that **we** should make further enquiries in order to reveal material matters. A matter is material if it would influence a prudent insurer as to whether to accept the risk, the terms of cover provided or the amount of the premium charged.

In the event of any non-disclosure or misrepresentation by **you** of the information **you** provided prior to commencement of this Policy, including representations made in any application document or other material submitted during the underwriting process, the following remedies will be available to **us** based upon what **we** would have done had the information been disclosed or not misrepresented:

- a. if **we** would have issued this Policy on different terms, **we** have the right to amend the terms and conditions of this Policy effective from the **inception date**;
- b. if **we** would have issued this Policy on the same terms but charged a higher premium, **we** have the right to reduce proportionately the amount to be paid on any claim under this Policy and if applicable, the amount already paid on prior claims under this Policy. The amount will be reduced by applying a percentage that has been calculated using the following formula: $(\text{premium actually charged} / \text{higher premium}) \times 100$; or
- c. if **we** would not have issued this Policy, treat this Policy as if it had not existed and return any paid premium.

23. Sanctions suspension

It is a condition under this Policy that the provision of cover, the payment of any claim and the provision of any benefit will be suspended, to the extent that the provision of the cover, payment of the claim or provision of the benefit would expose **us** to any sanction, prohibition or restriction under the United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, Canada, the European Union, United Kingdom or United States of America. The suspension will continue until such time **we** would no longer be exposed to the sanction, prohibition or restriction.

24. Supply chain interruption events

In respect of **INSURING CLAUSE 3 (SECTION G only)**, it is a condition precedent to liability under this Policy that **you** submit to **us** a written report from the **supply chain partner** confirming the root cause and length of the outage.

25. Choice of law and jurisdiction

This policy will be interpreted under, governed by and construed in all respects in accordance with the law of the jurisdiction of the place of registration of the company stated as the insured in the Schedule and **we** and **you** agree to submit to the exclusive jurisdiction of the courts within the territorial limits and jurisdiction of the place of registration of the company stated as the insured in the Schedule.
