Accelerant Insurance Europe SA is an insurance company authorised by the National Bank of Belgium and regulated by the Financial Services and Markets Authority (FSMA) (Ref. 3193).

The Policy the Schedule and any endorsements shall be read together as one contract and this is the contract of Insurance between the **Insured** and the **Insurer**.

NBS Ireland is a trading style of **NBS Commercial Limited**. Registered in Ireland No. 677098. Registered Office: 13-18 City Quay, Dublin 2, D02 ED70. NBS Commercial Ltd is regulated by the Central Bank of Ireland – C441712

Honest and Reasonable Presentation

1. Before this insurance contract is entered into, the **Insured** must make an honest and reasonable presentation of the risk to the **Insurer**, in accordance with the Consumer Insurance Contracts Act 2019, or if the **Insured** is not a consumer, in accordance with the principle of Utmost Good Faith. In summary, the **Insured** must:
 - a) Disclose to the **Insurer** every material circumstance which the **Insured** knows or ought to know. Failing that, the **Insured** must give the **Insurer** sufficient information to put a prudent insurer on notice that it needs to make further enquiries in order to reveal material circumstances. A matter is material if it would influence the judgement of a prudent insurer as to whether to accept the risk, or the terms of the insurance (including premium);
 - b) Make the disclosure in clause (1)(a) above in a reasonably clear and accessible way; and
 - c) Ensure that every material representation of fact is substantially correct, and that every material representation of expectation or belief is made in good faith.
2. For the purposes of clause (1)(a) above, the **Insured** is expected to know the following:
 - a) If the **Insured** is an individual, what is known to the individual and anybody who is responsible for arranging his or her insurance.
 - b) If the **Insured** is not an individual, what is known to anybody who is part of the **Insured's** senior management; or anybody who is responsible for arranging the **Insured's** insurance.
 - c) Whether the **Insured** is an individual or not, what should reasonably have been revealed by a reasonable search of information available to the **Insured**. The information may be held within the **Insured's** organisation, or by any third party (including but not limited to subsidiaries, affiliates, the broker, or any other person who will be covered under the insurance). If the **Insured** is insuring subsidiaries, affiliates or other parties, the **Insurer** expects that the **Insured** will have included them in the **Insured's** enquiries, and that the **Insured** will inform the **Insurer** if it has not done so. The reasonable search may be conducted by making enquiries or by any other means.

Remedies for breach of the duty of honest and reasonable presentation

If, prior to entering into this insurance contract, the **Insured** shall breach the duty of honest and reasonable presentation, the remedies available to the **Insurer** as set out below are proportionate to the effects of any misrepresentation on the interests of the **Insurer** and the **Insured** by reference as to whether the misrepresentation was:

- innocent (that is, one that was neither negligent nor fraudulent),
 - negligent, or
 - fraudulent.
- a) If the **Insured's** breach of the duty of honest and reasonable presentation is negligent or fraudulent:
- i. The **Insurer** may avoid the contract, and refuse to pay all claims; and,
 - ii. The **Insurer** need not return any of the premiums paid.
- b) If the **Insured's** breach of the duty of honest and reasonable presentation is not negligent or fraudulent, the **Insurer's** remedy shall depend upon what the **Insurer** would have done if the **Insured** had complied with the duty of honest and reasonable presentation:
- i. If the **Insurer** would not have entered into the contract at all, the **Insurer** may avoid the contract and refuse all claims, but must return the premiums paid.
 - ii. If the **Insurer** would have entered into the contract, but on different terms (other than terms relating to the premium), the contract is to be treated as if it had been entered into on those different terms from the outset, if the **Insurer** so requires.
 - iii. Except in the case where Basis of Settlement Clause Average applies (see below), if the **Insurer** would have entered into the contract, but would have charged a higher premium, the **Insurer** may reduce proportionately the amount to be paid on a claim (and, if applicable, the amount already paid on prior claims). In those circumstances, the **Insurer** shall pay only X% of what the **Insurer** would otherwise have been required to pay, where $X = (\text{premium actually charged} / \text{higher premium}) \times 100$.

Please note that in the event of underinsurance, the relevant Basis of Settlement Clause (Average) within the Material Damage Section or the Business Interruption Section of this insurance contract will apply to the claim instead of the relevant provision in point b) iii) above.

Keeping the Insurer Informed

The **Insured** must notify the **Insurer**, or the **Insured's** Insurance Advisor:

- a) without delay if the **Insured** becomes aware that information the **Insured** has given the **Insurer** is inaccurate;
- b) within fourteen days of the **Insured** becoming aware about any changes in the information the **Insured** has provided to the **Insurer** which happens before or during the period of insurance.

When the **Insurer** is notified that information the **Insured** previously provided is inaccurate, or of any changes to that information, the **Insurer** will tell the **Insured** if this affects the **Insured's** insurance. For example, the **Insurer** may amend the terms of the **Insured's** insurance or require the **Insured** to pay more for the **Insured's** insurance or cancel the **Insured's** insurance in accordance with the Cancellation Condition.

If the **Insured** fails to notify the **Insurer** that information the **Insured** has provided is inaccurate, or the **Insured** fails to notify the **Insurer** of any changes, this insurance may become invalid and the **Insurer** may not pay the **Insured's** claim, or any payment could be reduced.

Data Protection Notice

The **Insurer** may store the **Insured's** information on a computer and use it for administration, risk assessment, research and statistical purposes, marketing purposes and for crime prevention (see further details below). The **Insurer** will only disclose the **Insured's** personal details to third parties if it is necessary for the performance of the **Insured's** contract with the **Insurer**.

In order to assess the terms of the insurance contract or administer claims that arise, the **Insurer** will need to collect data that the Data Protection Act defines as sensitive such as medical history or criminal convictions. By proceeding with this contract the **Insured** will signify their consent to such information being processed by the **Insurer** or their agents.

The **Insurer** will keep the **Insured's** information secure at all times. In certain circumstances, for example for systems administration purposes, the **Insurer** may have to transfer the **Insured's** information to another country, which may be a country outside the European Economic Area ("EEA"). By proceeding with this insurance application, the **Insurer** will assume the **Insured** is agreeable to the **Insurer** transferring the **Insured's** information to a country outside the EEA.

Important

This Policy is a legal contract and it is important that the **Insured** examines it carefully to make sure that it meets their requirements. If it does not, or the **Insured's** requirements change, please let the **Insurer** know right away. The **Insured** is reminded of the need to tell the **Insurer** immediately of any facts or changes which the **Insurer** would take into account in their assessment or acceptance of this insurance, as failure to disclose all relevant facts may invalidate the Policy, or may result in the Policy not operating fully

9. Mitigation Costs Extension

The *insurer* will indemnify the *insured* for:

- a) reasonable payments made to any party other than an *insured* identifiably impacted by a *wrongful act* incurred during the *policy period* with the prior consent of the *insurer*, in order to mitigate the financial consequences of a *wrongful act* which the *insured* demonstrates to the *insurer* might otherwise reasonably have been expected to give rise to *loss* covered under Insuring Agreement A1, provided that:
 - i. the liability of the *insurer* under this Extension shall in no event exceed the amount that would have been paid if a *claim* was to have been pursued against the *insured persons*; and
 - ii. the *wrongful act* resulting in cover under this Extension is reported during the *policy period* in accordance with clause D1(b) of the General Provisions Section;
- b) Legal Costs limited to no more than €25,000 which were incurred by an *insured person* to investigate a circumstance notified during the *policy period* in accordance with clause D1(b) of the General Provisions Section, and to plan the defence of any subsequent potential *claim*, but only when it is established after such *claim* is made, that such expenditure has reduced the amount of *defence costs* incurred in relation to such *claim*. This clause B15(b) shall only apply up to the extent of such reduction.

The burden of proof in establishing whether:

- i. in the case of clause B15(a) above, a *wrongful act* might give rise to *loss* covered under Insuring Agreement A1; and
- ii. in the case of clause B15(b) above, legal costs incurred by an *insured person* have reduced the amount of *defence costs* incurred in relation to such *claim*, and the quantum of such reduction shall be upon the *insured*.

10. Run-Off for Former Insured Persons Extension

If this Policy is not renewed or replaced, and if the total premium for this Policy has been paid in full, the *insurer* shall provide an unlimited *discovery period* for any *insured persons* who have ceased to act in their insured capacity prior to expiry of the *policy period* for reasons other than:

- a) disqualification on the grounds of fitness or propriety from holding office or from managing a company;

 - b) which was the subject of any notice given under any other management liability policy, Directors and Officers liability policy or similar policy, or which arises out of, is based upon or is attributable to the same originating cause, source event or series thereof as such notice, unless the notice was provided to the *insurer* under an earlier policy but which was not accepted by the *insurer* as a valid notification, and where cover has been maintained continuously with the *insurer* from the inception date of the earlier policy to the end of the *policy period*.
4. Brought about or contributed to by any:
 - a) dishonest, fraudulent or criminal act or omission of any *insured* or any wilful violation of any statute, rule or law; or
 - b) profit or remuneration gained by any *insured* to which such *insured* is not legally entitled as determined by a judgement or other final adjudication (including any appeal thereof) in the underlying action or in a separate action or proceeding, or any formal written admission by or on behalf of such *insured*, that such conduct did in fact occur.

For the purpose of determining the applicability of Exclusion C4(a) to the *company*, only knowledge or information possessed by the Chair, Chief Executive Officer, Chief Financial Officer, Chief Operating Officer or General Counsel (or equivalent in any jurisdiction) of the *company* will be imputed to the *company*.

This Exclusion C5 shall not apply with respect to *defence costs*.

7. Employment Practices Exclusion - No knowledge, or act, error or omission of any *insured person* will be imputed to any other *insured person* to determine the application of the exclusions in this Section.

For the purpose of this Exclusion, PFAS means:

Perfluorinated Compounds, Perfluoroalkyl and Polyfluoroalkyl Substances in any form, including but not limited to:

General Provisions – Applicable to this Section Only

Changes in Risk

1. New Subsidiaries

- a) If during the *policy period*, the *company* acquires a *subsidiary*, or acquires any entity by merger, consolidation or otherwise, coverage shall be provided with respect to such new *subsidiary* or entity for any *loss* resulting from a *claim* involving acts or conduct committed after the completion of such acquisition.
- b) If, however, the newly acquired entity or *subsidiary*:
 - i. exceeds 25% of the total assets of the *company*, as represented in the *company's* most recent audited consolidated financial statements; or
 - ii. has equity *securities* issued or traded in the United States of America; or
 - iii. increases the number of *employees* located in the United States of America by 25% or more

then coverage under this Section with respect to such entity or *subsidiary* shall be provided for a period of 60 days in respect of acts or conduct that occurred after the completion of the acquisition. Coverage beyond the 60 day period will be provided only if:

- i. the *insurer* receives written notice containing full details of the acquisition; and
 - ii. the *insurer* at its sole discretion, agrees in writing to provide such additional coverage upon such terms, conditions, limitations and additional premium that it deems appropriate.
- c) With respect to the acquisition, merger, consolidation or otherwise of any entity or *subsidiary* as described above, there will be no coverage available under this Section in connection with such entity or *subsidiary*, or any act or conduct allegedly committed at any time during which such entity or *subsidiary* is not an *insured*.

Section 7 - Directors & Officers Liability-continued

Changes in Risk – continued

2. Changes in Control

- a) If, during the *policy period*, there is any *change in control*, the coverage provided under this Section shall continue to apply but only in respect of acts, omissions or conduct committed or allegedly committed before the *change in control*

In addition:

- i. the entire premium for the Policy will be deemed to be fully earned immediately upon the *change in control*; and
- ii. the *insurer* may agree to provide run-off cover by providing a *discovery period* in respect of *claims* brought against *insured persons* for 72 months from the expiry of the *policy period* or for such other period as the *insurer* may, in its absolute discretion decide. The terms of any such *discovery period* are at the *insurer's* sole and absolute discretion, including whether to provide such additional coverage and what additional premium may be required.
- b) If, during the *policy period* any entity ceases to be a *subsidiary*, the coverage provided under this Section shall continue to apply to the *insured persons* who, because of their service with such *subsidiary*, were covered under this Section, but only with respect to acts or conduct that occurred or allegedly occurred prior to the time such *subsidiary* ceased to be a *subsidiary*.

Limit of Liability, Indemnification and Retentions

1. Save as set out in any applicable sub-limit or Extension, the *insurer* shall pay in excess of the applicable *retention(s)* set forth in the Schedule up to the *limit of liability* shown in the Schedule.
2. Any payment by the *insurer* with respect to such *claim* shall reduce the *limit of liability* remaining and applicable to such *claim*.
3. All sub-limits of liability are part of and not in addition to the applicable *limit of liability* and are the maximum amounts the *insurer* will pay with respect to the cover to which they apply. All sub-limits shall be aggregate limits per *policy period*. Where coverage under an Extension is triggered by a *claim*, the sub-limit will form part of and not be in addition to the relevant *limit of liability* to such *claim*.
4. With respect to the *company's* indemnification of *insured persons*, the certificate of incorporation, charter, by-laws, articles of association or other organisational documents of the *parent company*, each *subsidiary* and each *outside entity* will be deemed to permit indemnification of the *insured person* to the fullest extent allowable by law.

Section 7 - Directors & Officers Liability-continued

Limit of Liability, Indemnification and Retentions - continued

5. All *losses*, fees and expenses under this Policy arising out of, based upon or attributable to the same originating cause, source or event shall be deemed to have been notified at the time at which the earliest notification under clause G1(a), G1(b) or G1(c) below, in connection with such cause, source, or event was given.
6. The *retention* applicable to clause A2 of this Section shall apply to any *loss* as to which indemnification by the *company* or *outside entity* is legally required or permitted, whether or not actual indemnification is made, unless such indemnification is not made by the *company* or the *outside entity* solely by reason of its financial insolvency, in which case no *retention* shall apply.
7. If a payment is made by the *insurer* to any *insured person* under this Section as to which indemnification by the *company* or *outside entity* was legally required or permitted but not made by such entity, the *company* agrees to pay to the *insurer* the amount of the *retention* applicable. The *insurer* shall be entitled to set off such amounts against any sums due from the *insurer* to the *company*.
8. If different *retentions* are applicable to different parts of any *loss*, the applicable *retention(s)* will be applied separately to each part of such *loss*, and the sum of such *retention(s)* will not exceed the largest applicable *retention* set forth in the Schedule.
9. If the *limit of liability* of this Section is exhausted by payment by the *insurer*, all obligations of the *insurer* arising from the *claim* which was the cause of the exhaustion of the *limit of liability* will be completely fulfilled and exhausted, and the *insurer* will have no further obligations of any kind whatsoever under this Section.

Defence, Settlement and Allocation of Loss

1. It shall be the duty of the *insured* to defend any *claim*. The *insurer* shall have the right connection with the defence and settlement of the *claim* by the *insured* and others and be given the opportunity to participate with each policy insured in the defence and settlement of any *claim* that appears likely to involve the *insurer*.
2. The *insurer* shall not be obliged to pay any fee, cost or expense or *defence costs* unless the *insurer* has provided prior written consent to such fee, cost or expense or *defence costs* being incurred, except where an Extension or insuring agreement states otherwise. Such consent as referred to in this clause shall not be unreasonably withheld, delayed or denied.
3. The *insurer* shall not be obliged to make any payment in connection with any liability admitted by the *insured* nor any settlement agreed by the *insured* unless the *insurer* has provided prior written consent to the liability being admitted or settlement being agreed, except where an Extension states otherwise. Such consent as referred to in this clause shall not be unreasonably withheld, delayed or denied.

Section 7 - Directors & Officers Liability- continued

Defence, Settlement and Allocation of Loss - continued

4. Upon the written request of the *insured*, the *insurer* will advance *defence costs* on a current basis in excess of the applicable *retention*, if any, before the disposition of the *claim* for which this Section provides coverage. If it is finally determined that the *loss* incurred is not covered under this Section, then the *insured* shall repay such *defence costs* paid to or on behalf of the *insured*.
5. In the event the *company* or *outside entity* refuses in writing to indemnify the *insured persons* even if it is legally required or permitted to do so, the *insurer* shall advance *defence costs* to the *insured persons* and the provisions of clauses F6 and F7 of these General Provisions shall apply.
6. If both *loss* covered by this Section and *loss* not covered by this Section are incurred, either because a *claim* made against the *insured* contains both covered matters and matters not covered by this Section, or because a *claim* is made against both the *insured* and others (including the *company* for *claims* other than for *securities wrongful acts*) not insured under this Section, the *insured* and the *insurer* will use their best efforts to determine a fair and appropriate allocation between that portion of *loss* that is covered under this Section and that portion that is not covered under this Section. Additionally, the *insured* and the *insurer* agree that in determining a fair and appropriate allocation, the parties will take into account the relative legal and financial exposures of, and relative benefits obtained in connection with, the defence and settlement of the *claim* by the *insured* and others.
7. In the event that an agreement cannot be reached between the *insurer* and the *insured* as to an allocation of *loss* as described in clause F6 above, then the *insurer* shall advance that portion of *loss* which the *insured* and the *insurer* agree is not in dispute until a final amount is agreed upon or determined pursuant to the provisions of this Section and applicable law.

Section 7 - Directors & Officers Liability-continued

Conditions

1. Notice

- a) The *insured* must give the *insurer* written notice of any:
 - i. *claim* first made against the *insured*; or
 - ii. proceeding or other event referred to in any Extension during the *policy period* as soon as practicable and in any event within 60 days of the end of the *policy period*, or within such additional *discovery period* as may apply.

If the *insured* does not give notice to the *insurer* in compliance with this clause, the *insurer* shall have no liability under this Policy in respect of that *claim* or other event, fee or expense referred to in any Extension.
- b) During the *policy period*, the *insured* must also notify the *insurer* of any fact or circumstance which may reasonably give rise to a *claim*. Such notice must include the reasons why the *insured* reasonably anticipates that the fact or circumstance may give rise to a *claim* with full particulars of the dates, acts and persons involved.
- c) Any *claim* made after expiry of the *policy period* which alleges, arises out of, is based upon or attributable to any interrelated *wrongful act* which was the basis of:
 - i. a *claim* first made during the *policy period* (or applicable *discovery period*) which has been notified to the *insurer* in accordance with this clause; or
 - ii. a fact or circumstance, *investigation*, event or proceeding, which has been notified to the *insurer* in accordance with this clause

will be treated by the *insurer* as having been notified during the *policy period*.
- d) All notices must be sent by certified mail to the address detailed in the Schedule.

2. Discovery Period

- a) If this Policy is not renewed or replaced, and if the total premium for this Policy has been paid in full, the *insured* will be entitled:
 - i. to an automatic *discovery period* of 60 days; and
 - ii. to purchase an optional *discovery period* for a longer period as specified on the Schedule provided that written notice is provided to the *insurer* by the *parent company* within 30 days after the end of the *policy period* and any additional premium specified by the *insurer* is paid within 45 days of the end of the *policy period*. The automatic *discovery period* shall be part of and not in addition to any optional *discovery period* purchased by the *insured*.

Section 7 - Directors & Officers Liability-continued

Conditions – continued

2. Discovery Period - continued

- b) The *discovery period* is non-cancellable and the premium for the optional *discovery period* is deemed fully earned at the inception date of the optional *discovery period*
- c) The purchase of the optional *discovery period* will not in any way increase the *limit of liability*, and any payments made with respect to *claims* first made during the *discovery period* shall be part of and not in addition to the *limit of liability* for all *claims* made during the *policy period*.
- d) No *discovery period* shall apply in the event that a *change in control* takes place in respect of the *parent company* during the *policy period*. In that event, as set out in clause D3 (a) (ii) of these General Provisions, the *company* can request that the *insurer* provides run-off cover.

3. Heirs, Representatives and Spouses

In the event of the death, incapacity or bankruptcy of an *insured person*, any *claim* first made during the *policy period* against the estate, heirs, legal representatives or assigns of such individual for a *wrongful act*, will be deemed to be a *claim* made against such *insured person*.

Coverage shall also extend to the lawful spouse or civil partner of any *insured person*, but only to the extent the spouse or civil partner is a party to any *claim* solely in their capacity as a spouse or civil partner of such *insured person* and only for the purposes of any *claim* seeking damages recoverable from, or in respect of, marital community property, property jointly held by any such *insured person* and the spouse or civil partner, or property transferred from any such *insured person* to the spouse or civil partner.

4. Priority of Payments

If *loss*, including *defence costs*, shall be payable under more than one of the Insuring Agreements, then the *insurer* shall, to the maximum extent practicable and subject at all times to the *insurer's* maximum aggregate *limit of liability* as set forth in the Schedule, pay such *loss* as follows:

- a) first, the *insurer* shall pay that *loss*, if any, which the *insurer* may be liable to pay on behalf of the *insured person*; and
- b) second, the *insurer* shall pay that *loss*, if any, which the *insurer* may be liable to pay on behalf of the *company*.

Only the knowledge or information possessed by the past, present or future Chair, Chief Executive Officer, Chief Financial Officer, Chief Operating Officer or General Counsel (or equivalent in any jurisdiction) of the *company* will be imputed to such *company*.

6. Other Insurance

General Provisions

1. Assistance, Cooperation and Subrogation

- a) The *insured* agrees to provide the *insurer* with all information, assistance and cooperation that the *insurer* may reasonably request, and further agrees that they will do nothing which in any way increases the *insurer's* exposure under this Section or in any way prejudices the *insurer's* potential or actual rights of recovery.
- b) In the event of any payment under this Section, the *insurer* shall be subrogated to all of the potential or actual rights of recovery of the *insured*. The *insured* shall execute all papers required and will do everything necessary to secure such rights, including but not limited to the execution of such documents as are necessary to enable the *insurer* to bring a suit in the *insured's* name, and will provide all other assistance and cooperation which the *insurer* may reasonably require.

2. Assignment and Changes to the Policy

- a) Neither this Section nor any right under it may be assigned without the prior written consent of the *insurer*.

However, the *insurer* shall be entitled, without the consent of the *parent company*, to disclose any

- iii. a court, mediator or arbitrator to whom matters are referred in connection with this Section or with any reinsurance of this Section

5. Sanctions

The *insurer* shall not be deemed to provide cover nor be liable to pay any *claim* or provide any benefit hereunder, to the extent that the provision of such cover, payment of such *claim* or provision of such benefit would expose the *insurer* to any sanction, prohibition or restriction under United Nations resolutions, or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

6. Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this contract has no right under the Contracts (Rights of Third Parties) Act 1999 or any similar legislation to enforce any term of this contract, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

7. Jurisdiction and Governing Law / Arbitration

This Policy shall be governed by and construed in accordance with the laws of the Republic of Ireland. All matters in difference between the parties arising under, out of or in connection with this Section, including formation and validity, and whether arising during or after the period of this Section, shall be referred to an arbitration tribunal. The seat and place of arbitration shall be Dublin. The arbitration shall be conducted in accordance with the latest Arbitration Ireland Rules published at the time that arbitration is commenced by the claimant (the party requesting arbitration), unless the rules conflict with this clause, in which case this clause will prevail.

Unless the parties agree to appoint a sole arbitrator within 14 days of one receiving a written request from the other for arbitration, the claimant shall appoint their arbitrator and give written notice to the respondent. Within 14 days of receiving such notice the respondent shall appoint their arbitrator and give written notice to the claimant.

If the respondent refuses to or fails to appoint an arbitrator within 14 days of receiving written notice of the appointment of the claimant's arbitrator, the claimant may give notice in writing to the respondent that they propose to appoint their arbitrator to act as the sole arbitrator. If the respondent does not within 7 clear days of that notice being given make the required appointment and notify the claimant that they have done so, the claimant may appoint their arbitrator as sole arbitrator whose award shall be binding on both parties as if they had been so appointed by agreement.

Where two arbitrators have been appointed by the claimant and the respondent, those arbitrators shall appoint a third arbitrator. Should they fail to appoint such a third arbitrator within 28 days of the appointment of the respondent's arbitrator then either of them or either of the parties may apply to the appointor for the appointment of the third arbitrator. The appointor shall be the Chair for the time being of Arbitration Ireland or if they are unavailable or it is inappropriate for them to act for any reason, such person as may be nominated by the Committee of Arbitration Ireland. If for any reason such persons decline or are unable to act, then the appointor shall be the Judge of the appropriate Courts having jurisdiction at the place of arbitration. The three arbitrators shall decide by majority. If no majority can be reached the verdict of the third arbitrator shall prevail. They shall also act as chair of the tribunal.

Unless the parties otherwise agree, the arbitration tribunal shall consist of persons (including those who have retired) with not less than ten years' experience of insurance or reinsurance as persons engaged in the industry itself or as lawyers or other professional advisers.
