# General Conditions

The following conditions apply to the whole of this **policy**. Any extra conditions are shown in the sections to which they apply.

## Representations

Any statement of opinion or statement as to the existence of a state of affairs made by **you** in connection with this **policy** shall have effect solely as a representation made by **you** prior to entering into this **policy**.

## Pre-contractual duty of disclosure

In agreeing to insure **you** and in setting the terms and premium, **we** have relied on the information **you** have given **us**.

**You** must answer all questions that **we** ask **you** before entering into the **policy** or on renewal honestly and with reasonable care. Where **we** ask **you** to answer a specific question, the subject matter of the question is material to the risk **we** are undertaking or the calculation of the premium or both.

If **you** fail to answer the questions **we** ask honestly and with reasonable care, **we** shall be entitled to the remedies as set below if the non-disclosure of material information was an effective cause of **us** entering into this **policy**, and on these terms.

Provided that **you** have discharged this duty of disclosure before entering into the **policy** or a previous renewal, then at renewal **you** are only required to provide **us** with the additional information that **we** expressly request. If **you** do not provide any new information in response to **our** request and **you** continue to pay the renewal premium, **we** shall presume that the information **you** previously provided has not altered.

Renewal of **your policy** does not remedy any previous breach of **your** obligations under this clause.

## Misrepresentation and remedies

If **you** or anyone acting on **your** behalf provided an answer to a question posed by **us** before entering into the **policy** or on renewal and that answer involved a misrepresentation, then **our** remedies shall depend on the nature of the misrepresentation as follows:

- a. If such answer involves an innocent misrepresentation (that is, one that was neither negligent nor fraudulent) and a claim has been made under the **policy**, **we** will pay **your** claim subject to the **policy** terms and conditions and will not avoid the **policy** on the ground that there was a misrepresentation;
- b. If such answer involves a negligent misrepresentation (that is, one that was not fraudulent):
  - i. If **we** would not have entered into this **policy** on any terms, **we** may treat this **policy** as having been void from the date **we** entered into the **policy** and refuse all claims, in which case **we** will return the premium to **you**;
  - ii. If **we** would have entered into this **policy** but on different terms (other than terms relating to the premium), this **policy** will be treated as if it had been entered into on those different terms from the outset, if **we** so require;
  - iii. If **we** would have entered into this **policy** (whether the terms relating to matters other than the premium would have been the same or different) but would have charged a higher premium, **we** may reduce proportionately the amount to be paid on a claim; or

- iv. Where there are no outstanding claims under **your policy**, **we** can choose one of the remedies (i), (ii) or (iii) above, or choose to terminate the **policy** by giving **you** reasonable notice.
- c. If such answer involves a fraudulent misrepresentation and a claim has been made under the **policy**, or where **your** conduct involves fraud of any other kind, **we** will be entitled to treat this policy as having been void from its inception and we are not required to return the premium.

## Alteration of risk and material changes

**We** may refuse a claim made by **you** where there is a change in the subject matter of the contract of insurance and circumstances have changed to the extent that the new risk is something which **we** did not agree in writing to cover by an express term of the **policy**, **endorsement**, written confirmation or otherwise.

## Suspensive Conditions

Any term in the **policy** or other documents issued by **us** that imposes a continuing restrictive condition on **you** shall be treated as a suspensive condition, and a breach of that term will suspend **our** liability under the **policy** from the time of the breach until the time when the breach is remedied, if it is capable of being remedied. **We** will have no liability to **you** for any claim if the **loss** occurs during the period when **our** liability is suspended.

If a breach of a continuing restrictive condition has not increased the risk of the **loss** that has occurred (being the **loss** for which **you** are making a claim under the **policy**), **our** liability will not be suspended, and **we** will still be liable subject to other terms and conditions of the **policy**.

This clause applies to any term in the **policy** that has the effect of reducing the risk in the **policy** relating to:

- a. a particular type of **loss**;
- b. **loss** at a particular time; or

If **you** are paying **your** premium by instalment, **we** will ask **you** to either continue paying **your** premium by instalment or **we** may deduct any outstanding instalment from any claim payment **we** have agreed to make.

## Full Value

**You** must ensure that the **amount insured** represents the full value of the property insured.

1. For **buildings**, the full value is the estimated cost of rebuilding the **buildings** to the same specification, including fees and expenses involved in such rebuilding, (this is not the same as the **market value**).
2. For tenant's improvements, the full value is the cost to repair or replace as new.
3. For **contents**, the full value is the current cost as new.

4. For **fine art** and valuables that are not listed individually in a specification held by **us** or **your** insurance agent, the full value is the replacement cost or current **market value**, whichever is the greater.

## Indexation

**we** will adjust the **amount insured** for **buildings** and **contents** each year according to an appropriate index. **We** will not increase **your** premium for this during the **period of insurance**. If **our** risk increases because **you** failed to keep to the conditions listed below, **we** can cancel this section, refuse a claim or withdraw from an ongoing claim. **We** also reserve the right to claim back **legal costs** from **you**.

### Your duties in the event of a claim

**You** must report any claim to **us** as soon as possible, please phone **us** on 01 670 7470 and **we** will send **you** a claim form.

Please send **your** completed claim form or written details of **your** claim to:

**Claims Department,**  
ARAG Legal Protection Limited,  
1 Hatch Street Upper,  
Dublin 2, D02 PY28,  
Ireland

Or email **us** at: [claims@arag.ie](mailto:claims@arag.ie)

Once **you** have sent **us** the details of **your** claim and if **we** have accepted it, **we** will start to resolve **your** legal problem.

Claims are usually handled by an **appointed representative** appointed by **us**. Claims outside the Republic of Ireland may be dealt with by ARAG offices elsewhere in Europe.

Please do not ask for help from a lawyer, accountant or anyone else before **we** have agreed. If **you** do, **we** will not pay the costs involved even if **we** accept the claim.

### You must:

- co-operate fully with **us** and the **appointed representative**;
- give the **appointed representative** any instructions that **we** ask **you** to.

### Your representation

- On receiving a claim, if representation is necessary, **we** will appoint a **preferred law firm**, or in-house lawyer as **your appointed representative** to deal with **your** claim. They will try to settle **your** claim by negotiation without having to go to court.
- If the appointed **preferred law firm** or **our** in-house lawyer cannot negotiate settlement of **your** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then **you** may choose a law firm or tax expert to act as the **appointed representative**. **We** will choose the **appointed representative** to represent **you** in any proceedings where the insurer is liable to pay a compensation award.
- If **you** choose a law firm as **your appointed representative** who is not a **preferred law firm**, **we** will give **your** choice of law firm the opportunity to act on the same terms as a **preferred law firm**. However, if they refuse to act on this basis, the most the insurer will pay is the hourly amount the insurer would have paid if they had agreed to the **ARAG Standard Terms of Appointment** and, in those circumstances, **you** would be liable for **legal costs** which exceed those included within the **ARAG Standard Terms of Appointment**. These will be provided to **you** once **we** accept **your** claim, if it is necessary to issue legal proceedings and **you** choose **your own appointed representative** rather than using a **preferred law firm**. Where **legal costs** have not already been agreed with a **preferred law firm** for the relevant claim type, **we** will pay up to a maximum of €150 per hour.

- The **appointed representative** must co-operate with **us** at all times and must keep **us** up to date with the progress of the claim.

Cover will end immediately if:

- the representative refuses to continue acting for **you** with good reason, or if **you** dismiss the **appointed representative** without good reason, unless **we** agree to appoint another **appointed representative**; or
- **you** settle a claim or withdraw it without **our** agreement, or do not give suitable instructions to an **appointed representative** and **we** will be entitled to reclaim from **you** **legal costs** **we** have paid; or
- during the course of a claim **reasonable prospects** no longer exist. **We** will pay any **legal costs** **we** have agreed to, up to the date cover was withdrawn.

### Assessing and recovering costs

**You** must tell the **appointed representative** to have **legal costs** taxed, assessed or audited, if **we** ask for this.

**You** must take every step to recover **legal costs** and the **Injuries Resolution Board** (IRB) application fee(s) that **we** have to pay, and must pay **us** any **legal costs** and PAB application fee(s) that are recovered

### Consent

**You** must agree to let **us** see the appointed adviser's file relating to **your** claim.

**You** are considered to have provided consent to **us** to see **your** file for auditing and quality control purposes.

### Settlement

**We** have the right to settle by paying the value of **your** claim.

**You** must not negotiate, settle the claim or agree to pay **legal costs** without **our** written agreement.

**We** may decide to pay **you** the amount of **damages** that **you** are claiming, or that is being claimed against **you**, instead of starting or continuing legal action. In these circumstances **you** must allow **us** to take over and pursue or settle a claim in **your** name. **You** must allow **us** to pursue at **our** own expense and for **your** benefit, any claim for compensation against any other person and **you** must give **us** all the information and help **we** need to do so.

If **you** refuse to settle the claim following advice to do so from **your** appointed adviser, **we** reserve the right to refuse to pay further **legal costs**.

### Your duties during the period of insurance

**You** must:

- keep to the terms and conditions of this **policy**;
- take reasonable steps to avoid and prevent claims;
- take reasonable steps to avoid incurring unnecessary costs;
- send everything, **we** ask for, in writing;
- report to **us** full and factual details of any claim as soon as possible and give **us** any information **we** need.

### Expert opinion

If a dispute arises about the merits or value of a claim, **we** can require **you** to obtain and pay for an expert opinion. The expert must be approved in advance by **us** and the cost agreed in writing between **you** and **us**.

If their opinion supports **you** in that it is more likely than not that **you** will recover **damages** (or obtain any other legal remedy that **we** have agreed to) or make a successful defence, **we** will reimburse **you** for the cost of that opinion.
