This insurance is renewable provided we agree to accept **Your** premium for any subsequent **Period of Insurance**.

**We** will cover **You** under those Sections shown in the **Schedule** where an amount (or "As shown in the **Policy** wording") is inserted during any **Period of Insurance** for which **We** have accepted **Your** premium provided all the terms and conditions of the **Policy** are met.

## PROTECTION AGAINST INFLATION

**We** continuously monitor a number of Commercial Rebuilding and Consumer Price Indices and at each renewal of the **Policy** we will adjusted your **Buildings** sums insured using the index that **We** feel best protects **You** against the effects of inflation and the risk of under insurance in the coming year. However, this universal approach does not take account of the significant differences in profile of our individual customer's buildings and contents exposures and we strongly recommend that **You** calculate **Your** rebuilding costs using the Society of Chartered Surveyors guidelines and carry out an inventory calculating the replacement costs of **Your** contents. **We** will be happy to adjust your sums insured accordingly. Helpful guidelines can be found on the Society of Chartered Surveyors website at [www.scsi.ie](http://www.scsi.ie)
