Your Policy

This **Policy** is effected on behalf of Lloyd's Insurance Company S.A by the Appointed Coverholder, Securus Insurance Ltd. The written authority (which number is shown in the **Policy Schedule**) allows Securus Insurance Ltd to issue this **Policy**.

The **Underwriters** in consideration of the payment of the premium shall provide insurance against loss destruction damage or liability occurring at any time during the period of insurance (or any subsequent period for which the **Underwriter** accepts a renewal premium) in accordance with the Sections of the **Policy** shown as operative in the Schedule subject to the exclusions provisions and conditions of the **Policy**. This **Policy** insures **You** only in respect of the sections where a **Sum Insured** or a **Limit of Indemnity** is specified in the **Schedule**

You are under a duty to answer all questions posed by **Underwriters** honestly and with reasonable care in connection with its application for insurance. Failure by **You** to disclose all information requested by **Underwriters** during the application process could render the **Policy** void.

Cancellation/Cooling-Off Period

You have a statutory right to cancel this **Policy**, by giving notice in writing of cancellation to the **Underwriters**, within fourteen (14) days from:

- the day of purchase or renewal of the contract; or
- the day on which **You** receive this **Policy** or the renewal documentation, whichever is the later (the "Cooling-Off Period").

If **You** wish to cancel during the Cooling-Off Period, **You** will be entitled to a refund of any premium paid unless **You** have made a claim in which case the **Underwriters** may require payment of the premium.

If **You** do not exercise this right to cancel this **Policy** during the Cooling-Off Period, it will continue in force and **You** will be required to pay the premium.

The right to cancel a contract of insurance does not apply where the duration of the contract is less than one month.

It is strongly recommended that **You** read the **Policy** including the **Schedule** and any endorsements to ensure that the cover meets with **Your** requirements. In the event that the cover does not meet with **Your** requirements **You** should immediately advise **Your** insurance advisor.

There are obligations contained in this **Policy** on pages 4 to 7 and obligations specific to certain sections (additional obligations may be imposed by endorsement) that are important to us and which **We** rely upon **You** to comply with.

With regard to the events that culminate in a loss **We** will not rely on a breach of a condition to decline a claim where **You** can prove that the breach could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred. The **Policy** defines what is covered under separate sections 1 to 4. Within those Sections the extent of cover is explained together with obligations and exclusions specific to that Section.

Exclusions applying to the whole **Policy** are set out in pages 32 to 34 and **We** will not pay a claim if these exclusions are applicable.

The General **Policy** conditions pages 35 to 37 sets out certain rights and includes clauses that apply to the whole of the **Policy**.

The **Policy** Definitions pages 8 to 10 provide the meaning to words and phrases wherever they appear in the **Policy**. **You** will see words in bold which highlights that for the purposes of this **Policy** they are a definition.

The **Schedule** attaching to this **Policy** will set out the period of this insurance and specify which Sections of this **Policy** are operative including the **Sums Insured**.

The **Schedule** may also contain clauses additional to the **Policy** wording that **We** have imposed placing additional obligations on **You** and/or varying coverage. The terms of those clauses will be attached to the **Policy** in the form of an endorsement.

In the unlikely event **You** feel that **You** need to make a complaint concerning this insurance **You** will find our complaints procedure on page 38.

Obligations

You have an obligation in **Your Proposal** to answer any questions honestly and with reasonable care in connection with its application for insurance. Failure by **You** to disclose all information requested by the **Underwriters** during the application process could render the **Policy** void.

Underwriters when considering whether to accept the risk and on what terms, conditions and premium as otherwise shall be entitled to remedy their position in accordance with the duties in the event of a claim or potential claim section on page 11 of this **Policy**.

These obligations also apply to variations and continue throughout the period of this insurance including any subsequent period(s) of insurance granted by **Underwriters**.

If **You** have any questions concerning the **Policy** terms and conditions, **You** should check with **Your** insurance advisor.

The **Policy** contains important terms and conditions that must be complied with including but not limited to:

If **you** fail to notify **Underwriters**, the underwriters may cancel this insurance, refuse to pay any claim or amend the terms of this **Policy** and treat this **Policy** as if it had been provided on such different terms. This may result in the **Underwriters** not making payment for a particular claim.

What personal information we process about you

We collect and use relevant information about **you** to provide **you** with the insurance cover or the insurance cover that benefits **you**, and to meet **our** legal obligations and the obligations of others in the insurance chain.

This information includes details such as **your** name, address and contact details and any other information that **we** collect about **you** in connection with the insurance cover, or the cover from which **you** benefit. This information may include special categories of personal data details such as information about **your** health and any criminal convictions **you** may have.

Why we collect your personal information and the lawful basis for processing

We collect and use **your** personal data to provide **you** with the insurance cover. The legal basis is the contract performance with **you** as the data subject and the compliance with legal obligations, amongst other insurance and tax law obligations.

For processing sensitive health personal data, the general legal basis is the consent, unless there is a local statutory right to do so as a legal basis. For processing child personal data, the legal basis is the consent given or authorised by the holder of parental responsibility over the child.

Finally, **we** can also process **your** personal data for fraud prevention and detection with legitimate interest as the legal basis.

Who we are sharing your personal data with

The way insurance works means that **your** information may be shared and used by several third parties in the insurance sector (inside and outside the European Economic Area-EEA). For example, insurers, insurance agents or insurance brokers, reinsurers, loss adjusters, sub-contractors, regulators, law enforcement agencies, fraud and crime prevention and detection agencies and compulsory insurance databases. **We** will only disclose **your** personal information in connection with the insurance cover that is provided, and to the extent that it is needed or allowed by law.

From time to time **we** may need to share **your** personal information with third parties outside EEA and **we** will always take steps to ensure that any international transfer of information is carefully managed to protect **your** rights and interests:

- **We** will only transfer **your** personal information to countries which are recognised as providing an adequate level of legal protection or where **we** can be satisfied those alternative arrangements are in place to protect **your** privacy rights.
- Transfers to service providers and other third parties will always be protected by contractual commitments and where appropriate further assurances.
- Any requests for information **we** receive from law enforcement or regulators will be carefully checked before personal information is disclosed.

How long we keep your data

We keep your personal details for no longer than is necessary in offering the insurance arranged or to comply with **our** legal or regulatory requirements. **We** will securely delete or erase **your** personal information if there is no valid business reason for retaining **your** data.
