The Insured may lose all cover under this policy if, since the start date of the policy or the last renewal date (whichever is the latest), there is a material change in the Insured's circumstances (which includes any new circumstances or changes in circumstances which alter the subject matter of this policy or the nature of the risk underwritten) including but not limited to such changes relating to the Premises, the Business, the occupancy, the duties or the activities of the Insured.

If the Insured is not sure whether they should tell the Company about something, they should tell the Company anyway. This is for the Insured's own protection because, if the Insured does not give the Company all the information the Company needs, the policy may not provide the Insured with the cover the Insured needs, a claim may not be paid, the policy may be declared invalid and void or may be cancelled, and the Insured may encounter difficulty trying to purchase insurance elsewhere.
